WELCOME TO

# LOS CABOS

**Our clientele  
innately understands  
Los Cabos because  
it's who they are:  
sophisticated yet  
laid-back, open to  
new adventures yet  
ready to unwind.**

Los Cabos is a truly special destination tucked on the very tip of Baja California Sur – part of the 1,000-mile-long peninsula that stretches into the sea. Contrasts exist in total harmony: exclusive and utterly accessible, upscale and relaxed. This is where the desert meets the sea. The point at which the Sea of Cortez and the Pacific Ocean meet but do not mix. Where two cities – Cabo San Lucas and San José del Cabo – are only 20 miles apart yet tell dramatically different stories.

*Let us show you the magnificence of **Los Cabos**, and then invite your clients to find their way here.*

A main draw for visitors of Los Cabos along Baja California Sur is the hallowed stretch of the East Cape. Secluded and silent, most of the beaches are uncrowded as they require accessing dirt roads in the backcountry –but fear not as there are plenty of easily reached spots near the hotels. Deep-sea fishing is one of the most sought-after activities, as a wide variety of pelagic species are caught right from the shoreline and out five miles from the coast, including grouper, marlin, sailfish, dorado and tuna.

In a destination where we value nature, nurture sustainable growth and believe in quality over quantity, there is truly something for everyone to enjoy.
