

Sports Tournament Grant **Reimbursement** Program

The Sports Tournaments Grant Program was established as one of the Strategic Growth Initiatives of the Tourism Destination Strategy adopted by the Loudoun Board of Supervisors in March 2006. The program is designed to support bids on sports tournaments, including human and animal events that will generate the greatest return on investment in terms of visitor spending in Loudoun. A competitive application process encourages cooperation, ensures that the tournaments can be accommodated, and increases their success.

Eligible Organizations

Parks and recreation departments and sports organizations that are capable of promoting and holding sports tournaments are eligible for funding.

Criteria

Each application will be evaluated based upon the following criteria:

- The tournament must directly impact the tourism and travel industry of Loudoun through promotion to out-of-area and out-of-state competitors and/or spectators. *Out-of-area is defined as 90 miles outside of the borders of Loudoun County.*
- Higher priority will be given to those events that occur during periods of need (weekends, January-March and July-August).
- Event must take place and funding expended within (18) months of the date of the award notification letter unless other arrangements have been approved.
- ****Applicants and/or the event's contracted third-party housing service agree to provide a \$2/room/night rebate to Visit Loudoun. Following the completion of the event, the room pick-up will be confirmed by the event's contracted third-party housing service and/or Visit Loudoun with \$2/room/rebate payable to Visit Loudoun within 60 days of room pickup confirmation. Rebate revenue will be used to support the Sports Opportunity Fund which is designed to support existing and attract new sports events to Loudoun County.***
- Applicants must use a tracking mechanism to measure results. A report that includes a list of hotels and number of room nights used during the event must be provided to Visit Loudoun at the conclusion of the event.

Eligible Expenses

Eligible expenses include bid fees, venue rental fees, registration fees, shipping and travel expenses, including accommodations and transportation related to tradeshow attendance, and other necessary recruitment tools. If an organization bids on a tournament prior to the grant award notification they may be reimbursed, but there is no guarantee of a grant.

Funding

A total of up to \$50,000 is available for allocation for events starting after August 1, 2019.

Following the completion of the event, payment will be made based on actual room night pickup reported. For example: if the award was based on 1,000 room nights booked for an event and only 750 were shown on the pickup report, payment would be 75% of the award amount.
