

# EXPLORE

## OUTDOOR MADISON

### What can you find in nature?

Use your senses while exploring trails, parks, green spaces and lakes.

Look high and low to search for nature treasures around you.

### SEE

- something patterned
- something tiny
- something heart shaped
- something long
- five of the same thing
- something beautiful
- something that makes you happy
- a beautiful view

### TOUCH

- something bumpy
- something wet
- something warm
- something soft
- something prickly
- something smooth

### HEAR

- something that snaps
- an animal sound
- a soft sound
- something that crunches
- something loud
- something that makes a beautiful sound
- something to make music with

### SMELL

- a flower with a scent
- something you like
- something you don't like
- fresh air
- water
- grass
