**Footnotes:**

1 Tourism Related Transportation includes: Air Transportation - Scheduled, Air Transportation - Non Scheduled, Inter Urban & Rural Bus Transportation, Taxi & Limo Service, Charter Bus Industry, Scenic and Sightseeing Transportation.

2 NAICS: North America Industry Classification System.

3 For statistical purposes, an "establishment" is defined as the smallest unit of a company (whether sole proprietorship, partnership, co-operative, corporation, etc.) that is a separate operating entity capable of reporting all elements of basic industrial statistics.

4 A number of changes that occurred for the December 2014 reference period resulted in a significant increase in the total number of businesses in Canada. The changes are made in an effort to be more coherent with our definition. For further information, please refer to the Statistics Canada document, "Definitions and Concepts used in the Business Register".
