INFORMATION

The official parade route is from North Lakeland Discovery Center along County HWY W to the gravel pit (just before County HWY W & HWY 51 intersection). Approximate length: 1.2 miles

Staging will take place at North Lakeland Discovery Center beginning at 1:00pm, Thursday July 4th. Entries should pull all the way into the Discovery Center for line up instructions from event staff. Parade units should use the gravel pit as a “fall out” area. *Please come prepared with all entry materials (building supplies, candy, etc) to avoid traffic jams during parade staging. Multiple trips in and out of the narrow driveway at the Discovery Center causes major traffic flow problems and creates a safety hazard for emergency vehicles already in the line-up that may need to get out!*

The official end of the parade is the gravel pit on HWY W just before HWY 51. Except for emergency vehicles, all parade units are asked to pull into the gravel pit and circulate around its perimeter holding there until the parade is over and volunteers usher units out of the pit. COUNTY AND STATE LAW ENFORCEMENT REMINDS US THAT ALL PARADE UNITS LEAVING HWY W TO TRAVEL ON HWY 51 AFTER THE PARADE MUST COMPLY WITH ALL WISCONSIN TRAFFIC LAWS. Only “street legal” parade units are allowed to travel on HWY 51. The Vilas County Sheriff’s Department will be handling traffic control before, during and after the parade.

The parade will halt at the judging stand across from Trig’s Village Market for a presentation of colors and a performance of the National Anthem. **ALL SIRENS, HORNS, AND OTHERWISE LOUD ENTRIES MUST BE TURNED OFF AND REMAIN SILENT DURING THESE TIMES.**

Each entry will be given a number during staging, which should be displayed in a highly visible area on both the front and rear of your entry so the judges and emcee can see it.

RULES

- All entries must be decorated in a 4th of July theme.
- No large, heavy or potentially harmful products may be thrown into the crowd from the parade entrants.
- Alcoholic beverages are prohibited in the parade.
- Drones are not allowed at the parade due to safety issues.
- All sirens, horns, music, etc. must be turned off during the presentation of colors, singing of the national anthem and a moment of silence.
- Absolutely NO confetti cannons, poppers, etc. Let’s respect the clean-up crews and keep MW debris free.
- Horse/animal units must have a “pooper scooper” following your entry to clean up messes.
