

# MARQUETTE COUNTY, MI Guide to Access

In November 2019, Travel Marquette embarked on a project with SAIL (Superior Alliance for Independent Living) to create a companion piece to the destination's website by providing accessibility information for lodging, restaurants, shopping, outdoor recreation sites, and attractions within Marquette County. Travel Marquette acknowledges the EDA grant in partnership with Travel Michigan. This grant furthers our accessible efforts with additional assessments and positions Marquette County and the state as leaders in creating accessible spaces for those in need.

Travel Marquette updates the Guide to Access and website to ensure residents and visitors have the most current information. Check out the [accessibility page](#) on [travelmarquette.com](http://travelmarquette.com) for new 360 guided tour videos of accessible locations.

Comprehensive assessment sheets are available upon request for more detailed information.

# GUIDE TO ACCESS: MARQUETTE COUNTY IN MICHIGAN'S UPPER PENINSULA

The Marquette County Guide to Access provides accessibility information on hotels, restaurants, retail stores, outdoor recreation areas, museums, and other popular local attractions. The guide is a product of a partnership between Travel Marquette and SAIL, whose staff reviewed each location. Levels of accessibility are included to better support inclusion, independent living, and decision making.

**Independent:** Locations are completely accessible without assistance.

**Assisted:** Locations are accessible but may require some assistance.

Parking in downtown Marquette and other Downtown Development Authority (DDA) parking lots is free with a Disability License Plate or Parking Placard, regardless of whether the spot is designated for accessibility or not. For more information on downtown parking in Marquette, visit [downtownmarquette.org/parking](https://downtownmarquette.org/parking) or view their [downtown parking map](#).
