

MARQUETTE COUNTY, MI Guide to Access

In November 2019, Travel Marquette embarked on an accessibility program with SAIL (Superior Alliance for Independent Living) to create a companion piece to the destination's travel guide by providing listings of businesses, restaurants, hotels, and recreation sites. Comprehensive assessment sheets are available for more in-depth information at Travel Marquette's Front desk. Visitors can also call 906.228.7749 or toll-free 800.544.4321 to speak with a representative.

This is just the beginning for all who wish to visit Marquette County. Moving forward, the guide will be continuously updated. For any suggestions or questions, please reach out to the Travel Marquette office. For more information, visit travelmarquette.com.

MARQUETTE PARKS & RECREATION

Carp River Kiln

The Carp River Kiln was constructed as a historical marker along the Iron Ore Heritage trail, one of the first stops along the old iron ore route. The kiln is accessible from the Iron Ore Heritage Trail and is a great park to enjoy the view of Lake Superior and Marquette's lower harbor. There is no marked parking available, and the parking lot is hard-packed dirt. There is no paved way to access the trail from the parking lot; one must cross about three feet of grass to access Iron Ore Heritage Trail.

Marked Parking	NO
Restrooms	NO

Chocolay River Fishing Pier

Located on M-28 just east of the crossroads in Harvey, there is an accessible fishing pier. The pier has marked parking and a metal ramp that extends from the parking lot to the pier. There is a single-stall accessible restroom available.

Marked Parking	YES
Restrooms	YES

Cinder Pond Marina

The marina is not open to the public to stroll the docks, but there are two marked parking spaces in front of the office and an accessible family bathroom that is open to the public. There are ramps onto the docks if visiting with a boat owner. If heading onto the docks, there is a 2" lip where the ramp meets the dock; assistance may be necessary to navigate.

City of Marquette Multi-Use Pathway

The pathway is just over twelve miles of picturesque paved trails that take you through some of the most scenic and historic locations from the Ore Dock on the shores of Superior, up to Presque Isle, to the wooded paths in South Marquette; this pathway is designed to allow people of all abilities to experience the beauty and history of Marquette. Below is a list of public parking lots along the multi-use pathway.

Lot 1 - South Beach. There are two marked parking spaces at this location. A sloping paved path provides access to the multi-use pathway. To the left of the accessible ramp is a bridge that crosses Whetstone Brook.

Marked Parking	YES
Restrooms	NO

Lot 2 - Founders Landing Observation Deck. There are two marked as accessible parking spaces as well as an accessible observation deck

overlooking historic Founders Landing and the lower harbor of Marquette. The deck also features accessible picnic tables, great for a picnic spot with a view. A sloping paved ramp leads to men's and women's restrooms are on the lower level.
