

MARQUETTE COUNTY, MI

Guide to Access

TRAVEL
MARQUETTE

In November 2019, Travel Marquette embarked on an accessibility program with SAIL (Superior Alliance for Independent Living) to create a companion piece to the destination’s travel guide by providing listings of hotels, businesses, recreation sites, and restaurants. SAIL representatives completed assessment sheets for each business listed. Entire sheets are available for more in-depth information at Travel Marquette’s front desk. Visitors can also call 906.228.7749 or toll free 800.544.4321 to speak with a representative.

Due to COVID 19, the accessibility program was put on hold. However, in November 2020, Travel Marquette submitted for funding via a MDARD (Michigan Department of Agriculture & Rural Development) Grant to proceed. The funds awarded allowed Travel Marquette to finish the guide as well as update the website and acquire complementary photography. They were also utilized to host a visit by well-known blogger and social media guru, Cory Lee, who provided a first-person account of Marquette County’s accessibility offerings.

This is just a beginning for all who wish to visit Marquette County. Moving forward, the guide will be continuously updated. For any suggestions or questions, please reach out to the Travel Marquette office. For more information, visit travelmarquette.com.

As the only center for independent living (CIL) in the Upper Peninsula and a disability resource, SAIL, Disability Network of the U.P. works with individuals, their families, and other local organizations to assist individuals and promote accessible Upper Peninsula (U.P.) communities for all.

Every year, we help over 3,000 people with disabilities and their families lead more productive lives across the Upper Peninsula. Our services are information and referral, peer support, independent living skills development, advocacy, and transition. We support individuals to overcome barriers in accessing housing, transportation, recreation, and employment. We support local businesses and organizations with accessibility concerns and lead disability awareness events.

We can help everyone, with or without disabilities, who lives in, works in, or passes through our communities of the U.P.. For more information, visit our website at www.upsail.org or call our office at 906-228-5744. Toll free 800-379-SAIL. Call 711 for TTY. We are here to help you!

accessible.

**Tribute to Sarah Peurakoski,
Superior Alliance for Independent Living Executive Director
Served from December 12, 2012 through November 5, 2021**

The Superior Alliance for Independent Living (SAIL) Board of Directors and Staff are honored to have worked with Executive Director, Sarah Peurakoski from December 12, 2012, through November 5, 2021. Sarah passed away on November 15, 2021, following complications of a hemorrhagic stroke. This has been a tragic loss not only for her family and friends but also for the disability community in the Upper Peninsula. Indeed, her legacy includes the disability communities across the state due to her active role developing a stronger statewide leadership group for all the Michigan Centers for Independent Living. She was a force to be reckoned with as a tireless leader seeking to create the mandated services at a Center for Independent Living (CIL) on a limited government-funded budget. Sarah was tireless in fundraising for specific programs and causes unique to SAIL. These programs are all highlighted on the SAIL website upsail.org under OUR CAUSES. She was especially fond of recreation options to help breakdown the social isolation of many individuals living with disabilities.

The most recent SAIL program developed is Access for All. Access for All collaborates with consumers, businesses and government entities seeking to create an Absolutely Accessible UP. Through the Access for All program, Sarah collaborated with Travel Marquette in creating the Marquette Accessibility Guide due for publication in 2022. The guide will allow individuals with disabilities to make informed choices about where to stay, eat and play in Marquette County. SAIL appreciates the commitment of Travel Marquette to financially supporting and producing the Guide. Sarah's vision was to find support to expand this type of guide across the UP.

While the next Executive Director will have large shoes to fill, Sarah's legacy provides the new Director a well-developed agency with committed staff for outreach across the Upper Peninsula.
