### **How to get there**

Access to the Lake Lucille Park Trail System is located at the north end of Endeavor Road in Wasilla. From Wasilla - go south on the Knik-Goose Bay Road, 2 miles from Wasilla take a right on Endeavor Street and follow it for 1/2 mile to the park entrance and parking areas.

### **General description**

Lake Lucille Park has approximately 1.6 miles (2.5 kilometers) of trails built around the perimeter of the park and connecting the athletic fields at the south side of the park to Lake Lucille on the north side of the park. The terrain is gentle and the trails cross through open fields and heavily wooded forests of birch, spruce and cottonwood.

### **Trail uses**

The Lake Lucille Park Trail System is maintained by the MSB Parks and Outdoor Recreation Division for year round non-motorized use. Summer use includes hiking, running, and mountain biking.

During the winter, when snow cover is sufficient, the park roads are groomed for skate and track skiing. The actual trail system is not groomed in winter due to its narrow width and low hanging branches, so the trails provides a perfect place to snowshoe.

### **\* Take note**

Dogs must be on leash and under your control at all times.
