

CHOOSE THE FREE PARKING OPTION TO FIT YOUR STAY

3 for FREE PARKING

Enjoy the options of free convenient parking whether it's Three for Free or Park and Stay while shopping, dining and enjoying Historic Downtown McKinney.

What is Three for Free?

Three for Free is a free parking program designed for visitors who park in historic downtown for three hours or less. More than 325 Three for Free parking spaces, including 15 handicap-accessible spaces, are marked on the square and extending one-to-two blocks in the downtown area.

Three for Free parking only applies between 8 a.m. to 5 p.m. Monday through Friday. The Three for Free designated spaces are available for extended parking after 5 p.m. on weeknights and all day Saturday and Sunday.

How are parking programs enforced?

To ensure traffic flow and the availability of storefront parking places for our visitors, Parking Enforcement Officers will issue citations for cars exceeding the three-hour limit as well as those violating parking laws like improper parking in handicap-accessible spaces, fire lanes and no-parking zones.

PARK and STAY ZONES

Are you staying longer?

Consider one of the free street or public parking lots within a short walking distance to the square. Park and Stay zones provide more than 1,200 parking spaces and handicap-accessible parking for those who wish to stay longer than three hours. Some spaces may be available for night and weekend parking. Please observe posted restrictions.
