VISIT MCKINNEY: Overview

Visit McKinney (dba McKinney Convention & Visitors Bureau - "Visit McKinney") is funded by the City of McKinney, Texas ("City"), via a portion of the local hotel occupancy tax the City collects from overnight accommodations in the city limits in accordance with Texas Tax Code § 351.101. Visit McKinney then uses its annual budget to secure avenues of advertising and promotion of McKinney tourism to areas within a 3-5 hour drive of McKinney, covering primarily Texas, Oklahoma, Louisiana and Arkansas. Visit McKinney funds are also used to attract and support meetings and events held within the City. A portion of the local hotel tax is set aside for other uses that fall within the guidelines detailed in the Texas Hotel Tax Expenditure Requirements (the above named tax code). *(Refer to accompanying document.)*

The vision and mission statements of the Visit McKinney are put into place, reviewed annually and are overseen by a City Council-appointed board of seven McKinney residents in accordance with the mission and goals of the McKinney City Council.

VISIT MCKINNEY: Core Purpose & Mission Statement

- **Core Purpose:** To promote McKinney in order to attract visitors and travelers.
- **Mission Statement:** To generate economic impact by influencing event planners and leisure and corporate travelers to choose McKinney as their destination.

VISIT MCKINNEY - Goals for the Organization

- Ensure application eligibility for VISIT MCKINNEY consideration under the Texas Hotel Tax Expenditure Requirements (Texas Tax Code § 351.101). *(Refer to accompanying document.)*
- Demonstrate informed financial planning - addressing long-term costs, budget consequences and sustainability of projects for which funding is requested.
- Identify the opportunities for internal efficiencies through recurring analyses and continuous improvement.
- Balance resources generated by the local Hotel Occupancy Tax.
- Continue to market and highlight McKinney as a special and memorable destination for residents and visitors alike.

FUND AVAILABILITY FOR GRANTS

Advertising/Promotional Grants from Visit McKinney are intended to provide financial support for initiatives, activities, and events that **promote the City of McKinney** for the purpose of attracting visitors to the City.

The State of Texas collects 13% in hotel taxes, and then passes along 7% of that to the City of McKinney. The city uses a portion of that 7% then to fund Visit McKinney which in turn means that Visit McKinney’s grants are also funded entirely by hotel taxes. In deciding on disbursement of these grant funds, Visit McKinney’s Board of Directors (“Board”) will be considering each applicant’s ability to bring verifiable hotel nights to the City of McKinney in making its decisions on disbursement of the grant funds. This ensures the regeneration of incoming hotel tax to continue funding the grants.

The Board recognizes that an event in its inaugural or second year may not have a reasonably-measurable number of hotel nights. However, if an entity applies for grant funds for a third or subsequent year, the Board may consider a standard formula used in the Texas tourism industry for measuring the amount of hotel nights ultimately needed to generate the amount of dollars to be awarded. Please refer to the calculation example below, based on the 7% in taxes collected by the city for an average room rate of \$150. (This formula would be adjusted to reflect McKinney’s average room rate at the time of awarding of the grant.)

Calculation Example:

A grant award may be roughly half of the amount of hotel night revenue using \$150 as the average room night. If an event has 20 rooms, the formula would be $20 \times \$150 = \$3,000$; half of that amount - \$1,500 - would be awarded. Amount caps based on room counts are:

- Less than 10 rooms: \$1,000
- 11-25 rooms: \$2,500
- 25-50 rooms: \$5,000
- 51-75 rooms: \$7,000
- 76-100 rooms: \$10,000
- 101-150 rooms: \$15,000
- 151-200 room: \$17,000
- 201-300 rooms: \$20,000
- 301+ rooms: \$25,000

Again, the formula may, at the discretion of the Visit McKinney Board, be eased for first or second-time events or projects in the interest of encouraging the development of new tourist-friendly activities in McKinney.
