## Westminster College

Combining historical splendour, contemporary spaces and an ideal location, Westminster College is a great venue for a wide range of events.

From corporate residential events through to private dinners and exclusive-use weddings, Westminster College has it covered and the team will ensure a great experience, every time. Add in the en-suite accommodation and the opportunity to host events in and out of academic term time, the College is a venue for all seasons.

Whether using the vaulted dining hall that seats up to 120, or the new Woolf Institute that brings the latest AV and media suite opportunities to the campus, events work at Westminster College, whatever the style.
