Melbourne is ready for Chinese visitors

The Chinese community has been a part of the community even before Victoria was a state, and Melbourne was the city. In 1901, a traditional Chinese dragon marched through the streets of Melbourne in the official parade that marked the formation of Australia. And every year since, the sheer ingenuity and integrity of Chinese migrants and visitors has helped make Victoria a prouder and more prosperous place.

The depth of Melbourne's relationship with China is reflected in its visitor numbers, with China the number one source of visitation to the state. Incentive groups are benefiting from this relationship, with an increasing number of businesses offering initiatives specifically for Chinese visitors, including:

- Customer service, sales and marketing teams fluent in Chinese Mandarin and Cantonese
- In-language marketing collateral
- In-language onsite signage
- In-language welcome kits
- In-language maps
- WeChat accounts
- Chinese newspapers and television channels
- Electrical adaptors
- Specialised menu items

PRECINCT POP UP PARTY

“Create your own Laneway Festival”

Melbourne is famous for its diverse cultures and cuisines. Drawing inspiration from the pop-up night food markets that frequent Melbourne throughout the year, we have created a package that will take your guests on a truly unique Melbourne culinary and cultural journey.

Showtime Event Group will use our existing venues along the Yarra River in South Wharf to create an outdoor food market, with influences of street food, live acoustic music, and a setting for attendees to continue interacting.

We close down the South Wharf Promenade that line the Yarra River, creating a private event space for your event. The space will be transformed with pop-up marquees that will house food stalls, bars and stages.

Street style roving entertainment, festoon lighting, coloured flags, and fire torches will complete the style, look and feel as your guests take in the sights of Melbourne, and of course, enjoy the cuisine on offer.
