

BURGER WEEK COMMANDMENTS

2. THERE WILL LIKELY BE

WAITS
People have been talking about Burger Week 2022 for weeks. Don't be surprised if restaurants have waits. In fact, be surprised if they don't.

3. TIP LIKE A PRO

We expect that the restaurants will be extremely busy. So, if a place runs out toward the end of a shift, handle it like an adult, go back the next day, earlier, order your burger and thank them for working hard. Please be nice to our restaurants.

4. YOU SHOULD BUY MORE

Purchase of sides and extras are not a requirement, but we think it says a lot to those working hard to bring you extraordinary experience. Grab some fries, a beer, or a cocktail and say thanks!
