

# BURGER WEEK COMMANDMENTS

## 1. THEY COULD RUN OUT

We expect that the restaurants will be extremely busy. So, if a place runs out toward the end of a shift, handle it like an adult, go back the next day, earlier, order your burger and thank them for working hard. Please be nice to our restaurants.

## 2. THERE MAY BE A WAIT

People have been talking about Burger Week 2025 for weeks. Don't be surprised if restaurants have waits. In fact, be surprised if they don't.

## 3. TIP LIKE A PRO

\$10 brings out the cheap in all of us, but really, you're likely getting a \$15+ burger, so please tip at least 20%. The people who are serving you are working hard during Burger Week!

## 4. YOU SHOULD BUY MORE

Purchase of sides and extras are not a requirement, but we think it says a lot to those working hard to bring you an extraordinary experience. Grab some fries, a beer, or a cocktail and say thanks!
