**BURGER WEEK
COMMANDMENTS**

1. THEY COULD RUN OUT

We expect that the restaurants will be extremely busy. So, if a place runs out toward the end of a shift, handle it like an adult, go back the next day, earlier, order your burger and thank them for working hard. Please be nice to our restaurants.

2. THERE WILL LIKELY BE

WAITS
People have been talking about Burger Week 2023 for weeks. Don't be surprised if restaurants have waits. In fact, be surprised if they don't.

3. TIP LIKE A PRO

\$9 brings out the cheap in all of us, but really, you're likely getting a \$12+ burger, so please tip at least 20%. The people who are serving you are working harder during Burger Week than an average week.

4. YOU SHOULD BUY MORE

Purchase of sides and extras are not a requirement, but we think it says a lot to those working hard to bring you extraordinary experience. Grab some fries, a beer, or a cocktail and say thanks!
