Discover Milwaukee Fresh

Fresh as the day it was founded, fresh as the first sip of a cold beer, fresh as locals that call it home!

Milwaukee is a city that rode into the American history books on two wheels and brewed its way into the hearts of the American traveler. When asked "what makes Milwaukee, Milwaukee?" the world's most recognizable motorcycle brand and a well-poured beer come to mind. Cheese curds aren't too far down that list either, but this is all common knowledge. Layer one stuff. Once you've ridden the Harley-Davidson, drank the Miller High Life and popped a few more cheese curds than you'd care to admit to your cardiologist, you will find Milwaukee is an unrivaled sports city with a food scene as diverse as its locals, and a cultural arts scene as fresh as its coast. Let this map be your guide to unlocking Milwaukee's one-of-a-kind, fresh experiences.
