Beef-a-Rama Cow Pie Plop

1. There will be only one Grand Prize winner. The prize will not be split. If the cow pie lands on a line, or more than one line, the “matter” in each plot will be decided upon by the assayers. Assayers will decide on the first and second prize winners. Decision by assayers shall be final and unappealable.
2. The area covered by the pie will be the sole criteria, not the *volume* or *weight* of the “matter”.
3. The cow (or heifer, calf, or bull) will be turned onto the pasture (pen) at 1:00 PM on Saturday, September 29th, 2018. The cow (heifer, calf, or bull) will be removed at 3:00 PM the same day, or sooner, if there seems to be a cow-arthritis problem.
4. If the winning plop lands on a plot which is not registered, or if the cow (heifer, calf, or bull) is cow-stipated, there will be a drawing of all DEEDS at 3:00 PM, Saturday, September 29th, 2018. First and Second prizes will be honored.
5. In order to qualify as a pie, the deposit must be at least 3 inches in diameter. (See illustration at right.)
6. Land owners need not be present to win.
7. All “cow plops” sell for \$10.00 each.
