# safer meetings at carmel mission inn 

YOUR WELL-BEING IS OUR HIGHEST PRIORITY AND WE HAVE IMPLEMENTED ENHANCED CLEANING AND SANITATION PROTOCOLS DESIGNED TO KEEP YOU SAFE DURING YOUR TIME WITH US.

## training

Partnering with industry experts, such as Ecolab $®$, to ensure we have training on hygiene and infection prevention expertise. Ecolab, a global leader in hygiene and chemical products, is a trusted industry partner.
Training hotel staff on cleaning and sanitizing procedures developed by AIMClean, our proprietary robust cleaning and sanitizing certificate program that includes best practices from in-house and outside experts, such as Ecolab.

## stafi

 wellness Hotel associate use of PPE such as face coverings, temperature checks, and increased personal hygiene protocols including frequency of hand washing and wearing of gloves.

## cleaning \& sanitizing

Increasing the frequency of cleaning and special sanitizing using EPA-approved products throughout all public areas of the hotel, meeting spaces, guestrooms and work areas with a focus on high-touch areas and hard surfaces.

## allowing for physical distancing

Physical distancing throughout all areas of the hotel including in public areas, fitness centers, meeting spaces, lobby, and work areas. Training associates on physical distancing in interactions with guests and with each other. Encouraging guest use of touchless delivery of services from checkin, keyless room access, to ordering room service wherever available.

## foud \& beverag'e

We adhere to public health department code regulations and CDC guidance on food safety practices, cleaning and sanitizing, and service delivery methods, throughout all public spaces and service/ work areas to mitigate the spread of viruses. Our banquet offerings will be creatively packaged and presented, in a phased approach based on public health and safety standards

## leveraging technology for broader engagement

We can offer resources, innovative ideas and partnerships to create an experience that combines in-person and virtual components broaden your audience reach and engagement.
