

## Ride Guide *High Mesa Loop*

Leave Montrose from Highway 50 and Hillcrest. Head north on Hillcrest and zig-zag on rural roads across North Mesa. The route follows 64.00 Road to Falcon Road where it turns west and enters the small town of Olathe.

Climb west out of Olathe on Route 348 and turn back to the south on 58.00 Road at the top of the hill. From there it's another short, steep climb onto High Mesa, a fast descent to historic Coal Creek School and a longer climb onto Franklin Mesa.

Turn left on Spring Creek Road and ride east downhill and with a tailwind back into town.

**Distance:** 28 to 35 miles
