On the Trails

Morehead, a certified Kentucky Trail Town, remains the only Kentucky community with the Sheltowee Trace National Recreation Trail meandering down Main Street. This amazing trail's Northern Terminus is also located in Morehead. The views the trail offers through the scenic overlooks, tree canopies, rock formations and waterways is nothing short of breathtaking! You will want to experience it while you visit Morehead!

Art and Culture

Morehead's artists and performers embrace the creativity and musical talents that make them known and often elite to this region. They perform in our venues and create in their studios to display in our galleries. They are inspired by the spectacular landscapes that surround them.
