SUSTAINABILITY

#wildmorrobay

Morro Bay is a nature lover's paradise. When you visit, we invite you to enjoy our natural assets, but also to join in our efforts to protect them.

ABOUT THE MORRO BAY NATIONAL ESTUARY:

Tucked away in the southern coast of Morro Bay lies the Morro Bay estuary. Salt and fresh water combine to create an exceptional habitat for hundreds of animals and plants, as well as a unique place for water adventure.

HOW YOU CAN HELP:

1. Make sure your trash goes into the bin.

2. Choose reusable items whenever you can.

3. Conserve water.

4. Pick up after you pet – you can find free Mutts for the Bay dog waste bags around town.

5. Watch wildlife from a distance so as not to disturb them.

Visit the Morro Bay National Estuary Program for more information at 601 Embarcadero.
