Funding Terms

- Events must demonstrate viability and sustainability without investment funding.
- Funding is provided at the discretion of Tourism Nanaimo and the Nanaimo Sport Tourism Committee and will vary based on event impact and application assessment.
- There are no multi-year funding agreements, and events that have been funded in the past must reapply each year.
 - *Note: It is anticipated that groups will become self-sustaining. The purpose of this grant program is not for long-term funding. The grant program is intentionally designed to be time-limited and non-guaranteed year over year. The goal is to support event development and long-term self-sufficiency, while ensuring equitable access to funding across a range of events. This means that while organizations are welcome to reapply, funding amounts may fluctuate or not make the intake at that time.*
- Events that are primarily academic, political, or religious are not eligible for sponsorship.
 - *Note: This does not exclude academic, political, or religious organizations from qualifying for the grant if they are hosting a sporting event.*
- Misrepresentation of need through inflated attendance expectation or failure to disclose other funding may result in loss of funding and exclusion from consideration for future grant programs.
- Proof of hotel room actualization such as a room pick-up report, which can be requested from your hotel partner, must be included in the post-event report. If an event is unable to demonstrate room pick-up, within reason, the second instalment of the grant will not be issued. In exceptional cases, events may be required to repay the initial grant funding if hotel room actualization is not achieved.
- The Sport Hosting Grant is not intended to be used for hotel rebates.
- Applicants will receive a partnership agreement to be signed and returned to Tourism Nanaimo before an electronic funds transfer (EFT) will be issued for the grant. Agreements not returned within 30 days may result in forfeiture of the grant award.
- Award recipients are required to provide a final report within 30 days of event/project completion. Failure to provide the final report within 60 days may impact future grant awards. Failure to provide a final report within 90 days will require repayment of amounts already awarded.
- In the case of an event cancellation, repayment of the Sport Hosting Grant will be required.

Source of Funding
