The Imperial Centre for the Arts & Sciences, located in downtown Rocky Mount, is one of the premier cultural facilities on the eastern seaboard. Occupying the combined former sites of the Imperial Tobacco Company and old Braswell Memorial Library in downtown Rocky Mount, the complex houses an Arts Center, Children's Museum & Science Center, and community performing arts theatre. The 135,000 sq.ft. facility involved the historic restoration and renovation of the old buildings which had been dormant for more than 50 years. Completion of the project spanned two years and resulted in a state-of-the-art facility that preserves the historic aspects of the original buildings. The Imperial Centre for the Arts and Sciences is owned and operated by the City of Rocky Mount.
