

Putting the “New” in New Braunfels

The New Braunfels Civic/Convention Center is 50,000 square feet of modernly updated meeting and event space. The airy, Hill Country architecture and harmonious design create a welcoming environment that almost disguises the facility’s form-meets-function practicality. The versatile setting is perfect for everything from industry conventions to breathtaking weddings.

The event and meeting spaces include a column-free exhibit hall, a beautiful ballroom, and five flexible meeting rooms. A shady courtyard with lush landscaping provides a perfect area for meeting breaks as well as an extension of overall space.

The facility includes wireless internet and all the state-of-the-art equipment and technology you could need for a dynamic, highly memorable presentation. At the New Braunfels Civic/Convention Center, out-of-town groups have the luxury of coming to the lush Hill Country where Texans go for vacation.

New Braunfels — only 25 minutes to San Antonio, 40 minutes to Austin, and exactly where you want to be.

Ballroom

The 9,288-square-foot Ballroom is appointed with an attractive wood floor, stage, and extensive built-in audio/visual, including projection, dimmable lighting, and sound. Convenient loading areas and a professional kitchen make the Ballroom a perfect room for your reception, large meeting, or convention.

Garden Rooms

For ultimate flexibility, these five rooms can be used individually or combined to over 3,500 square feet. The rooms look into a beautiful private Courtyard for breaks, small receptions, or even wedding ceremonies. Extensive audio/visual and attached kitchen ensure success for every event.
