Attractions & Things To Do

Most visitors come to New Braunfels packing a swimsuit, a rod and reel, or a snorkel and fins.

But New Braunfels isn't just a water paradise. Once on shore, you'll find a whole range of family-friendly activities and attractions in town. Throughout the year, visitors can tee off at the area's premiere golf courses or jump into unique adventures, the best in Texas music, and traditional German heritage.

Quench Your Thirst for Fun!

Dive into New Braunfels. New Braunfels has Schlitterbahn, a world-class water park, and two clear, clean rivers – the Comal and the Guadalupe — wind through town and Canyon Lake is just minutes away.

Slip on your bathing suit and go fishing, rafting, kayaking, skiing, tubing, or swimming. Check out Texas Ski Ranch where you can practice wakeboarding without a boat!

Tour lovely Landa Park on a miniature train, view the Comal Springs – the largest springs in Texas. Enjoy the cool, wonderful, spring-fed pool at the park Aquatic Complex.

Schlitterbahn Travel Channel calls Schlitterbahn America's number one waterpark for good reason. The park's high-tech attractions and natural Comal River setting have made it the most popular summertime waterpark in the country. Schlitterbahn, which loosely translates from German into "slippery road," features more than 40 attractions.

Guadalupe River Best known for attracting generations of "tubers" for a refreshing float to beat the summer heat, the Guadalupe also lures canoe and kayak enthusiasts to peaceful paddling and exciting whitewater rapids. Nature lovers and outdoor enthusiasts flock to camps and resorts along the tree-lined banks of the river.

Comal River The Comal enjoys a unique claim to fame: it is the shortest river in the United States. The 2.5-mile-long Comal starts at one of the largest natural springs in Texas and its broad, slow flow makes it ideal for a quiet tubing experience, while the clear spring waters are perfect for snorkeling and diving.

Canyon Lake Spectacular views of the Texas Hill Country and 80 miles of coastline make this a great destination for campers, vacationers and day trips. Water activities range from quiet and reflective sailing and fishing to exciting water skiing and parasailing.

Texas Ski Ranch This extreme water recreation complex features water skiing and wake boarding without a boat, plus skateboarding facilities.

Trout Fishing New Braunfels is one of the very few trout hot spots in the southern United States. The cold water of the Guadalupe makes it an ideal home for the trout which are stocked in the river several times a year. This attracts fly fishing enthusiasts from across the nation.

Landa Park Landa Park offers picnic facilities under the shade of giant, ancient oak trees. Walk or jog on the park's special trails, or ride a miniature train that chugs around the 51-acre park. An excursion on a paddle boat is one of the best ways to see the Comal Springs and Landa Lake. Take in a round of miniature golf, relax at the playground or enjoy the flora and fauna on the Panther Canyon Nature Trail.
