Download the Le Pass App:

Le Pass provides riders with a more efficient and seamless transit experience — trip planner, mobile payment, and real-time information — all from one app.

The new Le Pass app allows users to live track both RTA's buses, streetcars, and ferries as well as Jefferson Transit's (JET) buses in Jefferson Parish.

With Le Pass, you can easily buy your bus, streetcar and ferry passes right on your phone. No need to wonder about where your ride is or fumble with cash. To pay your fare, just tap to use a pass and then show your pass on your phone when you enter the vehicle.
