

The Official Cliff Walk Map

NEWPORT CLIFF WALK

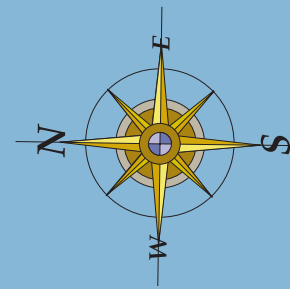

Welcome to the Cliff Walk, a unique 3.5 mile (5.6 km) long footpath. It is the only National Recreational Trail set within a National Historic District.

This map, produced by the Newport Cliff Walk Commission, provides key information regarding entry/exit points, facilities, important safety information, and regulations (that are enforced). Please pay particular attention to the Legend which indicates degrees of difficulty along the walk.

Also indicated are 16 Trail Markers that describe various points of interest. Use your smartphone to scan the QR codes on the Trail Markers to access more information and history about the Point of Interest. Please note that the Trail Markers and map include Points of Interest that are both public and private property. Please respect our neighbors! The Waves, Land's End, Anglesea, and many other properties are PRIVATE residences and neither the house nor the grounds are open to the public.

HELP maintain the Cliff Walk NOW for future generations to enjoy. To DONATE, scan this QR code or text CLIFF to 401-388-5177. Thank you for your support!
