

# CLIFF WALK

## NEWPORT RHODE ISLAND

Where the serenity of salt air and the peaceful sound of crashing waves meets with the awe of Gilded Age architecture.

**trail markers**  
There are 16 trail markers that describe various points of interest. Scan the QR code on the trail markers to access more information and history. The QR code at left links to the Cliff Walk markers information page.

*Note: Trail markers and map include points of interest that are both public and private property. Please respect our neighbors! The Waves, Land's End, Anglesea, and many other properties are private residences and neither the house nor the grounds are open to the public.*

Cliff Walk is the only National Recreational Trail set within a National Historic District.
