

PROJECT RAINBOW

TOGETHER IN 2019,
LET'S PAINT
NEW YORK CITY
PROUD

NYC
& Company

OUTFIT YOUR BUSINESS FOR WORLDPRIDE 2019 IN NEW YORK CITY

As an NYC & Company member, you are an indispensable ambassador of our great city. We've assembled this tool kit with three easy recommendations to help you play an even greater role in this year's milestone Pride celebrations. Showcasing our eye-catching shattered rainbow motif, this suite of custom assets is available for use and personalization by members like you.

TOGETHER, LET'S PAINT THE TOWN PROUD!

1. DECLARE YOUR PRIDE: DECOR & SIGNAGE

As part of our recently announced partnership with Mastercard, we are creating a co-branded window cling with the message “Acceptance Matters.”

This will be mailed to our members free of charge in June. We encourage you to display it on the door, windows or facade of your business during WorldPride month.

We are also including suggested designs for rainbow flags and signage, which you may develop however best suits your business and brand. For unity with other businesses, please refer to our Pride brand guidelines at business.nycgo.com/projectrainbow. To help you produce these assets, we have recommended trusted vendors who already have the designs on file.

#acceptancematters Window Cling

Developed as part of our new partnership with Mastercard, your co-branded window cling will be mailed to our members free of charge in June. We encourage you to display it on the door, windows or facade of your business during WorldPride month.

Here is a suggested vendor to print additional window clings:

Gender-Neutral Restroom Sign

Safe and equal bathroom access is a human right—and since March 2016, restaurants, bars and other public places in New York City with single-stall restrooms have been required* to replace “men” and “women” signage with gender-neutral signage. Our custom sign can provide further affirmation for your customers.

3. SHARE YOUR PRIDE: SOCIAL MEDIA

WorldPride celebrations and events will be taking place throughout the five boroughs during the entire month of June. In addition to incorporating our branding elements and suggestions into your business, you can show your support by sharing your Pride moments on our Project Rainbow Social Wall—launching in April at nycgo.com/worldpride.

For more information on how to participate, visit business.nycgo.com/projectrainbow.
