MAJOR INVESTMENTS

Developments

- **[Marsha P. Johnson State Park](#) | Williamsburg, Brooklyn | 2023**

 - In February 2022, East River State Park was renamed in honor of Marsha P. Johnson, a transgender woman of color who was a pioneer of the LGBTQ+ civil rights movement and a central figure in the Stonewall Uprising. The design for a new gateway for the park was recently announced, with construction beginning this past fall and scheduled completion in 2023.

- **[Hudson River Park's Pier 97](#) | Hell's Kitchen, Manhattan | Spring 2024**

 - In February, construction began on the proposed reimagination of Hudson River Park's northernmost concrete pier. The plans call for an elevated belvedere with river views, food concession, a playground, woodland walk and sunbathing lawn, together altering the Hell's Kitchen recreational landscape.

Transportation

- **[Grand Central Madison LIRR station](#) | Midtown Manhattan | January 2023**

 - Getting from the East End to the East Side will soon become far more convenient: the MTA is now welcoming passengers to Grand Central Madison, a new Long Island Rail Road station below the historic Grand Central Terminal. Full service into the terminal began running January 25, 2023, allowing LIRR to reach both sides of Manhattan for the first time.

- **[The Beluga24 Zero-Emission Ferry](#) | Brooklyn & Manhattan | Spring 2024**

 - Slated to launch in spring 2024, this first-of-its-kind watercraft, *The Beluga24*, will usher in a new era of cleaner and more efficient marine transportation. The vessel will operate under the yellow-and-black branding of New York Cruise Lines' subsidiary, New York Water Taxi, running on the Hudson River between Brooklyn and Manhattan. The ferry will hold up to 147 passengers per ride and 28 bicycles, and will feature exclusive technology to ensure the most energy efficient, high speed ferry on the market.

- **[LaGuardia Airport](#) | East Elmhurst, Queens | Ongoing**

 - The airport is undergoing an \$8 billion transformation to a single, structurally unified main terminal with better transportation access and first-class passenger amenities – the first complete rebuild of a U.S. airport in over 25 years. In June, Delta Air Lines opened the doors to the new Terminal C. The gleaming new terminal houses modern design elements, art installations by local New York artists, five baggage claim carousels, and a new concourse with 10 gates. The eastern concourse at Terminal B opened in December 2018, with Air Canada, American Airlines, United Airlines and Southwest Airlines all operating out of the new gates. All renovations are slated for completion in 2024.

- **[Newark Liberty International Airport](#) | New York City Metropolitan Area | Ongoing**

 - On January 12, 2023, Newark Liberty International Airport debuted the updated \$2.7 billion Terminal A, offering 33 new gates directly connected to a multilevel parking facility. The Airport is also working towards a new 2.5-mile elevated guideway train system, which will reduce greenhouse-gas emissions and ease traffic congestion.

- **[John F. Kennedy International Airport](#) | Jamaica, Queens | Ongoing**

 - In December 2022, JFK unveiled the newly revitalized Terminal 8, developed by American Airlines and British Airways, offering travelers new premium lounges, enhanced baggage systems, and premium check-in space and more to be discovered. The \$9.5 billion international Terminal One is expected to open in 2026, including a complete redesign of the airport's roadways, expansion of parking lots and more.
