 - Penn Station has expanded across the street to the historic James A. Farley Post Office building, where an additional entry from Ninth Avenue, nine new platforms and 17 new tracks for all Long Island Rail Road and Amtrak routes is now available. New stations to service A/C/E and 1/2/3 lines are also open to commuters.
- **[LaGuardia Airport | Queens | Ongoing](#)**
 - The airport is undergoing an \$8 billion transformation to a single, structurally unified main terminal with better transportation access and first-class passenger amenities. In June, Delta Air Lines opened the doors to the new Terminal C. The gleaming new terminal houses modern design elements, art installations by local New York artists, five baggage claim carousels, and a new concourse with 10 gates. The eastern concourse at Terminal B opened in December 2018, with Air Canada, American Airlines, United Airlines and Southwest Airlines all operating out of the new gates. All renovations are slated for completion in 2024.
