GENERAL DESCRIPTION

Natural and man-made wonders make this region an awesome place to visit! Anchored by one of the world's most astonishing natural wonders, Niagara Falls, Niagara Falls USA offers an array of epic adventures guaranteed to thrill. From the majesty and power of Niagara Falls to scenic river gorges, lakes, streams and the historic Erie Canal, the region will inspire you with breathtaking vistas, waterways and activities. You can immerse yourself in living history, experience arts and culture, fish worldrenowned lakes and rivers, kayak secluded streams or trek miles of scenic hiking trails. And with a plethora of orchards, farms, cideries, wineries and breweries, nature lovers and foodies alike will delight in the unique offerings and local flavors of the region.

Niagara Falls' sheer energy – more than 750,000 gallons thunder every second over the mighty cataracts– has always been a worldwide draw. But just 20 miles upstream, a different kind of energy has brought a new buzz to Buffalo, named one of 52 Places to Go by the New York Times and "America's Coolest Summer City" by the Sunday Times of London for its restored architecture, redeveloped waterfront and reinvigorated neighborhoods filled with a host of new attractions, boutique hotels, restaurants and breweries. The extraordinary sightseeing and hiking near the falls combined with Buffalo's wealth of cultural amenities and renewed urban vibrancy are giving visitors more reasons than ever to explore. Extend your visit by discovering the small-town charm and culinary renaissance in Medina, the thrills of Six Flags Darien Lake and the "Grand Canyon of the East" in Letchworth State Park, all a short drive away.

NEW DEVELOPMENTS

New Attractions

Following a \$17 million renovation, <u>Bent's Opera House</u> has reopened in the heart of historic downtown Medina in Orleans County. Built in 1865, the ten-room boutique hotel also features an event center and farm-to-table restaurant.

Six Flags Darien Lake debuts its new 60-foot-tall Wahoo Wave slide this

season. New Activities

Discover some of architect Frank Lloyd Wright's finest work along the new <u>Great Wright Road Trip.</u> The route connects nine sites, including the recently restored Martin House Complex and Graycliff in Buffalo, creating a journey through miles of scenic countryside, bountiful vineyards, roadside farm stands and regional Americana.

SURPRISING FACTS

- Niagara Falls State Park is the oldest park in the United States. It was established in 1885 and designed by America's first landscape architect, Frederick Law Olmsted, also known for New York City's Central Park. Niagara Falls, comprised of three waterfalls- American Falls, Bridal Veil Falls and the Horseshoe Falls, has about 750,000 gallons of water rushing over each second.
- 2. Garden Walk Buffalo is the largest tour of private gardens in the country, taking place during the last week of July and featuring more than 400 gardens. The event is part of a six-week celebration of garden events and tours across the region.
- JELL-O was invented in Le Roy, NY in 1897 and the first four Jell-O flavors were orange, lemon, strawberry and raspberry. Lime was introduced in 1930. Today, Le Roy is home to the Jell-O Museum/Gallery, located 30 minutes southwest of Rochester and 60 minutes east of Buffalo/Niagara Falls.
- 4. 50 to 75 percent of the water flowing along the Niagara River is diverted from going over the Falls to hydroelectric power generating stations.

SPORTS & OUTDOORS

Baseball: The Buffalo Bisons, affiliate of the Toronto Blue Jays, play Minor League games at Buffalo's historic <u>Sahlen Field</u>, from April to early September. Batavia Muckdogs, a collegiate summer baseball team of the Perfect Game Collegiate Baseball League, plays games in Batavia at Dwyer Stadium, June – September.

Football: The Buffalo Bills professional NFL Football team play home games at the <u>Highmark Stadium</u> in Orchard Park, a suburb of Buffalo.

Hockey: The NHL's Buffalo Sabres play at the <u>KeyBank Center in</u> downtown Buffalo, adjacent to the city's emerging Canalside district.

Boat Tours: Narrated cruises range from quiet tours on the Erie Canal, to the thrilling Maid of the Mist boat ride up to the Horseshoe Falls and the wildly exciting jet boat tours. Buffalo's waterfront – formed by the confluence of Lake Erie, the Buffalo River and the Niagara River – offers a host of ways to get on the water. Immerse yourself in the city's industrial heritage on a <u>Buffalo River History Tour for an</u> upclose view of the city's dozens of towering concrete grain silos, then hop on the <u>Spirit of Buffalo</u> schooner for a "Wine in the Wind" cruise to see a sunset over the lake. Or crack open a beer and watch the world go by on a <u>Buffalo Tiki Tour</u>, a floating tiki boat in the Buffalo River. For the sport fishing/outdoor enthusiasts, there are plenty of waterways where you can launch your boat, canoe, or kayak.

Fishing: Two Great Lakes, Lake Erie and Lake Ontario, as well as the lower Niagara River, are touted as some of North America's best places for trophy fishing (steelhead, bass, trout, salmon, walleye pike and more). Fishing tournaments draw anglers from around the globe. The region also offers excellent flyfishing on scenic Oatka Creek in the quaint village of LeRoy. Year-round world class trout and salmon fly fishing can be found on the Oak Orchard River.

Hunting: Private preserves and game farms are found throughout the region. The <u>Iroquois</u> <u>National Wildlife Refuge</u> allows hunting and fishing in season with permits. State lands are open for hunting during the appropriate seasons.

Hiking and Biking: With a plethora of hiking trails for all difficulty and energy levels, Niagara Falls USA offers four seasons of hiking fun. Take a leisurely stroll at <u>Niagara Falls State Park</u> or go boulder hopping through the Niagara Gorge Trail System which runs parallel to the Niagara River and rapids. Gorge view is a stunning new area in Niagara Falls State Park which provides unimpeded access to the Niagara Gorge and improved recreational opportunities for residents and visitors alike. For those who wish to explore the great outdoors with a guide, the Niagara Region Park Interpretive Programs Office offers free hikes year-round.

Whether you bring your own two-wheels or rent a bicycle, there's a variety of mixed-use and dedicated bike paths to explore the natural landscape and local neighborhoods throughout the region.
