NORTHEAST ADIRONDACK REGION

Fishermen and naturalists come from miles away to spend vacations in a lean-to, a designated open site on the back part of the pond, or the mainland campground. Canoes and rowboats can be rented at the boat launch site at the caretaker's residence.

CRANBERRY LAKE

171 Sites | 315.848.2315

One of the largest remote lakes in the Adirondacks, its proximity to 50,000 acres of wilderness, intermingled with 50 miles of well-developed trails makes Cranberry Lake the outdoor enthusiasts' perfect vacation spot. Whether it's fishing, boating or just laying back and enjoying your well-deserved vacation, Cranberry Lake is the spot for you. The lake has been stocked with trout in the past and many of the local ponds, streams and rivers support excellent trout fishing. The perfectly formed forest canopy in the campground provides excellent shade on hot summer days while the undergrowth provides excellent privacy for campers. Getting from Cranberry Lake to other Adirondack Campgrounds requires only a short trip on a major highway.

FISH CREEK POND

355 Sites | 518.891.4560

Fish Creek Pond Campground offers a natural sand shoreline and water access for most campsites. Campers are provided with pristine rivers and ponds accessible to both motorized and non-motorized boats. Square Pond and Fish Creek Pond (the two bodies of water around which the campground is situated) are open to motorboat usage. Also, motorboat operators can enjoy miles of open water on Upper Saranac Lake. A trailered boat launch with a small temporary parking area nearby receives steady usage throughout the camping season. Campers seeking non-motorized boating opportunities may enjoy the Rollins Pond area or the nearby St. Regis Canoe Area (approx. three miles north of the campground). It is considered by many the finest and most attractive of all the Adirondack campgrounds. Camping equipment from tents to 40-foot RVs can be accommodated. The campground offers a variety of other recreational opportunities including: canoeing and boating, fishing, hiking and bicycling.

MEACHAM LAKE

219 Sites | 518.483.5116

Campers at Meacham Lake are provided with a wide open view of a truly undeveloped area and can often hear the loons calling in early morning and late evening. Aside from being an angler's paradise, the campground has an activities area complete with volleyball, horseshoes, kids' playground and bathing beach. Meacham Lake Campground is located on the north and west shores of Meacham Lake. The campground represents the only development on this 1,208-acre lake and the boat launch is the only boat access on the lake. The campground is in a very scenic area, surrounded by the northern mountains and extensive tracts of Wild Forest state land. All types of camping units can be accommodated, from small tents to large recreational vehicles. The west side offers primitive and walk-in sites, while the main campground will accommodate both tents and RVs.

This public campground is a key component of a Master Plan to establish a Gateway to the Adirondacks at Exit 29 of the Northway, in the town of North Hudson, announced by Governor Andrew M. Cuomo in January 2017. Located in the heart of the Adirondacks, the Gateway site once hosted the Frontier Town theme park. For more than 40 years, Frontier Town, a Wild West theme park, was a destination for families from across the country. Visitors traveled back into living history visiting the hearths and homes of a pioneer village, enjoying a rodeo and finding themselves in the midst of a hold-up by outlaws on horseback. New York State and the Open Space Institute, working in collaboration with five neighboring Adirondack towns, created a blueprint for a new recreation hub that would improve local amenities, expand access, and draw increased visitors to this part of the Park. DEC will operate the facility according to the terms of a conservation easement.
