

2025 Turkey Dinner Drive

Partnering with North Strand Helping Hand, the North Myrtle Beach Chamber Foundation is once again raising funds to provide turkey dinners to families in need during the Thanksgiving and Christmas holidays and beyond.

With rising grocery costs a typical Thanksgiving turkey dinner that will feed a family of four is about \$30. Your donation will help provide a family a of four a turkey dinner with all the trimmings!

How many families can we serve together?

Please make all checks payable to:
