TURKEY FLOCKING

TURKEY "FLOCKS" FOR HIRE

Turkey Flocking, or Flocks for Hire, are the terms we use to explain how businesses may sponsor a flock of turkeys (turkey yard signs) to be installed at a business of their choosing. The sponsor business, contributes at least $100 to the Turkey Dinner Drive, per location and the hope is that the receiving business will keep it going by sponsoring to have another business "flocked."

The yard signs are installed, social media coverage is used to promote the sponsor and the business where the turkey flock is installed. The yard signs include information promoting the Turkey Dinner Drive and how to contact the NMB Chamber Foundation to get involved.

It would be awesome if you could keep the "flock moving" by becoming a sponsor to have another business "flocked." Reserve a time slot, weekdays between 9 am and 3 pm) for a turkey flocking and contribute to the NMB Chamber Foundation Turkey Dinner Drive.

Would you like to hire a flock of turkeys and become a sponsor for a local business to be "flocked?" Use this QR code or complete the form on the back and we'll take care of the details.
