

## Sunfest/Springfest

### Parking and Unloading Ocean City MD

*Print for easy instructions for the bus driver!*

The Inlet Parking Area is not available to buses during Springfest and Sunfest. To drop off your passengers, head south toward the Inlet on Philadelphia Avenue, making sure that you're in one of the two left lanes. At the intersection of Philadelphia and Baltimore Avenues, the police will direct you north on Baltimore toward Trimper's Amusements, where you can drop your passengers off near the Roller Coaster. From there, it's a very short walk on the pedestrian plaza of S. First St., just a block to the Springfest or Sunfest activities. Head toward the Tram Station Pavilion and you will be right adjacent to the festival!

To park your bus, take U.S. 50 west over the bridge to the West Ocean City Park & Ride at 12848 Ocean Gateway, Ocean City, MD 21842. Once over the bridge, driver turns left at the light at Inlet Isle Rd. Driver will get a left hand lane and turn signal for safe access. Do not go under the covered bridge, please go around! Use the oversized parking area, then driver can feel free to take the shuttle back to town to enjoy Springfest or Sunfest. Tickets are \$3 per day, and the shuttle runs all day. Also near the Park & Ride are convenience stores, restaurants and casual fast food within walking distance but *use care in crossing any highways*.

**Please note that Ocean City strives to be a green city, so we ask you please not run your motor while you're parked in this area. There are residential homes on the opposite of the fence in this area.**

Thanks for your business and we wish you safe travels!
