INVESTING IN THE MODERN FRONTIER

OKC's Official Destination Marketing Organization

As the City's official destination marketing organization, the mission of the Oklahoma City Convention & Visitors Bureau is to contribute to the economic well-being of Oklahoma City and its citizens through the solicitation and servicing of conventions and other related group business, to promote the city as a first-class visitor destination and to enhance Oklahoma City's name and image.

Our mix of convention, leisure, sports and equine tourism is a tremendous asset and one of the primary reasons our visitation has been able to recover from the pandemic faster than many peer destinations that rely heavily on just one or two primary drivers. Oklahoma City has much to be excited about regarding its current and future visitor experience, as well as the significant economic impact our business drives every day.

The CVB works with community and industry partners to manage Oklahoma City's brand as a destination. Since the CVB launched The Modern Frontier campaign two years ago, there has been tremendous momentum around this unified destination brand.

Visitor research indicates family road trips to enjoy Oklahoma City's attractions are most likely to appeal to regional travelers. Regional travelers report that ease of access, cost/affordability and family-friendly attractions are Oklahoma City's strongest destination attributes.

Oklahoma City is well-positioned as an affordable family travel destination with perceptions of good restaurants, museums, events, outdoor activities and cultural offerings. Regional travel audiences are showing interest in Oklahoma City as a family destination with family travel as the top trip type.

MARKETING TO VISITORS BY CVB

Marketing Partner Program

The OKC CVB is committed to providing flexible, cost-effective ways for partners to participate in promoting OKC as a destination. Our Marketing Partner Program is designed with the following priorities:

- **Reach Visitors** – When they are *planning* how to spend their time and money in Oklahoma City AND when they are *here* spending money in OKC by advertising in the CVB-owned media properties. Visitors can be from abroad, other places in US and right here in own state and city.
- **Cost effective** – Partners can take advantage of low-cost advertising opportunities and no cost opportunities from the CVB. The CVB is a nonprofit organization and relies on partnerships to market the city as a destination. We price our partnership packages and advertising at very competitive rates to encourage participation across our industry.
- **Qualified Audience** - Partners can reach visitors that are going to our website or that have viewed, requested or picked up our publications. We provide an audience that is well qualified whether they are researching a trip to the city, planning a trip to OKC, on the way to OKC, or are in the city looking for things to do, eat or shop. We reach Visitors when they are researching and planning their trips and while they are here.

PARTNERSHIP PACKAGES

For organizations that prefer to purchase a variety of advertising in CVB's publications and on VisitOKC.com we've developed flexible partnership packages. The more advertising you purchase, the deeper the discount off the rate card pricing.

Ad placements within each partnership level can be mixed and matched based on what brings the advertiser the most value. The packages are designed around spend and discount levels, not by specific, set ad placements. Let us work with you to create the package that works best for you.

- Total amount of package, less discount, is divided by the number of months of the partnership.
- Invoiced monthly and due **30 days prior** to first day of the month.
- If cancelled during term, the advertiser will be invoiced for all ads ran at published rate less paid.
- Available to OKC Chamber of Commerce members only.
- Typical Partnership Packages are 12 months in length.
