ADDING EVENTS (CONT'D)

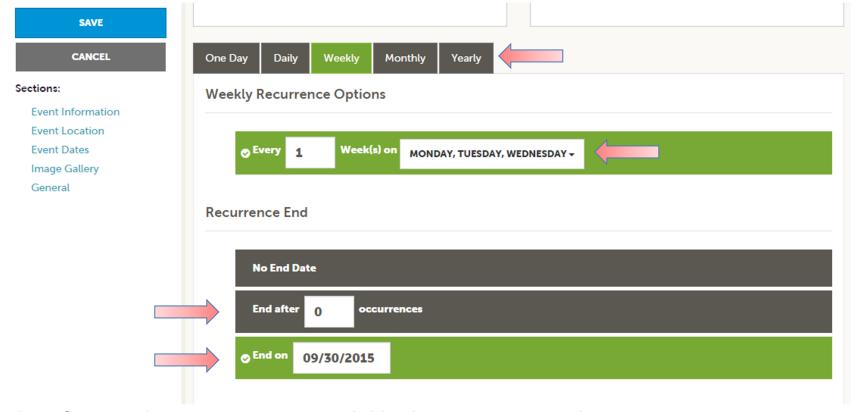

Update Event

When you view, edit or add an event, you can quickly scroll to a section on the page by clicking the links on the left side of the page. If you are viewing an event, the top left will display an **Edit** button. If you are editing an event, the top left button will say **Save**.

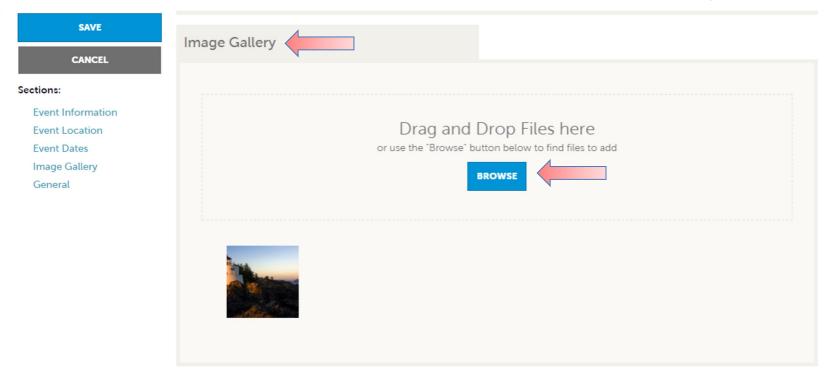

IMPORTANT NOTE: Any edits or adding of events will require approval from Visit Omaha. Upon saving your updates, Visit Omaha will be notified of your changes/adds.

ADDING EVENTS (CONT'D)

The Calendar of Events has a recurrence model built in. You can make your event a one-time event, daily, weekly, monthly, or yearly. If it is not a one day event, you can choose your recurring days of the event. Depending upon if it is daily, weekly, monthly, or yearly, your recurrence may change. At the bottom of the recurrence section, you can choose to end your event after a certain number of occurrences or on a specified date.

ADDING EVENTS (CONT'D)

As with **Listings** and **Special Offers** you can add images to your event. Adding images to an event is a little different though. In the image Gallery section on the event, you can drag and drop an image or click the Browse button to search your computer for an image.

IMPORTANT NOTE: Calendar images should be 1920px wide by 1300px high. Images should be experiential and not a promotional graphic.
