The screenshot shows a form for adding a new image. At the top, there is a 'Type:' dropdown menu with 'Logo' selected, marked as 'Required'. To its right is a 'Sort Order:' input field with a red arrow pointing left. Below this is a 'Description:' text area. The 'File:' section is marked as 'Required' and contains a large dashed box with the text 'Drag and Drop File To Page or use the "Browse" button below to find a file to add' and a red arrow pointing left. Below the dashed box are 'BROWSE' and 'REMOVE' buttons. At the bottom, there is a 'Listings:' dropdown menu with the text 'CHOOSE AMONG THE FOLLOWING...' and a downward arrow.

When adding a new image, first select the **Type**. **Logo** is your primary image and should not be your business logo. **Image** is your secondary photo and can also be used for special offers.

You can browse your hard drive or drag and drop an image. Once you upload a new image or edit an existing one you can attach the image to one or multiple listings by selecting the **Listings** pull down menu.

IMPORTANT NOTE: All listing images should be 800px wide by 397px high. Images should be experiential and not a promotional graphic.
