The screenshot shows a form for adding a new image. At the top, there is a 'Type:' dropdown menu with 'Logo' selected and a red arrow pointing to it. To the right is a 'Sort Order:' input field with a red arrow pointing to it. Below this is a 'Description:' text area. The 'File:' section is marked as 'Required' and contains a large dashed box with the text 'Drag and Drop File To Page or use the "Browse" button below to find a file to add' and a red arrow pointing to it. Below the dashed box are two buttons: 'BROWSE' (blue) and 'REMOVE' (orange). At the bottom, there is a 'Listings:' section with a dropdown menu labeled 'CHOOSE AMONG THE FOLLOWING...'. A small note at the bottom of the file section reads: 'You can drag a file to the page to replace this file or use the "Browse" button'.

When adding a new image, first select the **Type**. **Logo** is your primary photo and should *not* be your business logo. **Image** is your secondary photo and can also be used for special offers. You can browse your hard drive or drag and drop an image. Once you upload a new image or edit an existing one you can attach the image to one or multiple listings by selecting the Listings pull down menu.

**IMPORTANT NOTE:** All listing and special offer images should be 800px wide by 397px high. Images should be experiential and not a promotional graphic.
