Here's How to Get Started:

- **Check Availability**
 - Before you make a purchase, please check to see if your desired date and theme park is currently available before purchasing your ticket. Keep your reservation date preference in mind when selecting your ticket. Check availability [here](#).
 - Once you've confirmed reservations are available for the day you wish to visit, you're ready to purchase park admission.
- **Purchase Park Admission**
 - Choose from ticket options to suit your vacation style and budget.
- **Make a Park Reservation**
 - Book soon! Park reservations are limited and subject to availability, so it's highly recommended to make your park reservation via [the Disney Park Pass System](#) as soon as you complete your ticket purchase. A park reservation must be made for each day of entry. If you have a multi-day ticket, you will be required to make a park reservation for each date of your visit.

Universal Orlando

Due to increased demand and limited attendance as part of enhanced health and safety procedures, theme parks may reach capacity more quickly at times throughout the year. When the parks reach capacity, ticket sales and entry may be limited or unavailable for a period of time. Universal Orlando does not require park reservation. It is highly recommended to arrive at least 1 hour prior to park's opening time; especially during peak days/season (Spring Break, Weekends, and Holidays).
