CINDERBLOCK WALL | BACK PARKING LOT

14' 8"

40' 8"

APPLY AT [VISITOSHKOSH.COM/PLACEMAKING](https://www.visitoshkosh.com/placemaking)

This location supports two placemaking goals as it sits along a riverwalk detour that temporarily takes bikers and pedestrians away from the Fox River and it is on a prominent historic building in the new Saw Dust District along South Main. We are open to all ideas, but artists may want to consider art that helps to establish the Saw Dust District brand.
