

## SEE YOU AROUND

by Carolyn Horton

I think Oshkosh is just the right size,  
not too big and not too small.  
I was born here and plan to stay,  
hopefully my children too.

As a child I remember walking  
to the library with the lions.  
We also went to Menominee's beach,  
sometimes riding the ponies.

The highlight of the summer was the  
Children's Parade with the floats,  
kids in costume, scrambling for candy.  
Entrants got a goody bag.

Summer days were spent at Pollock Pool,  
winter sledding Red Arrow hill.  
Then came the baby boom and the need  
to add a second high school.

My beloved city grew around me.  
Menominee built a zoo,  
added a playground "Little Oshkosh"  
and a small souvenir shop.

As the years passed Oshkosh exploded.  
We had so many choices  
of what entertainment venue to do.  
Lifest, Waterfest are a few.

My home town became "Event City."  
First EAA Air Venture,  
Country USA, Rock USA,  
and Battle on the Bago.

We even have our own basketball team.  
Food Truck Friday is growing.  
Children have Otter Street Fisheriee,  
Farmer's Market on weekends.

So now you see Oshkosh is for me.  
Wiowash State Trail for biking,  
strolling on the Riverwalk,  
boating, fishing on Lake Butte des Morts.

You name it we probably have it.  
Oshkosh will keep you busy.  
Just look us up on the Internet.  
I hope to see you around.
