A premier destination in the heart of Wisconsin, Oshkosh offers a variety of exhilarating events and wonderful attractions for any traveler. Surrounding lakes, rivers and trails provide year-round opportunities to explore the outdoors while the invigorating downtown district features a big-city feel within a small-city setting.

Oshkosh has both historic and modern venues featuring engaging exhibits and an excellent performing arts scene. Year-round events range from gallery walks, dinner theaters and farmers markets to major music festivals and the largest airshow in the world, EAA AirVenture.

Enjoy shopping at unique boutiques in the downtown district and our popular Outlet Shoppes, which are home to more than 40 brand-name stores.

Supper clubs, waterfront dining, breweries, wineries, chocolate shops and drive-ins give visitors the opportunity to satisfy any palate.

Conveniently located on the western shore of Lake Winnebago along the US-41 corridor, Oshkosh is an easily accessible destination with numerous lodging and entertainment options to fit every budget. From beginning to end, the best adventures are found in Oshkosh!

FROM 600,000 TO 1

Whether you're looking to enjoy a major event with thousands of people or just looking to find a little alone time, Oshkosh has you covered.

Indulge with the crowd. Oshkosh is home to three major music festivals that draw more than 300,000 visitors every year, the largest grass volleyball tournament in the country with more than 1,600 teams, the world's largest ice fishing tournament with more than 10,000 participants and the greatest airshow in the world, which draws more than 600,000 visitors from nearly 90 countries around the world.

Be a crowd of one. Oshkosh is surrounded by more than 140,000 acres of water between Lake Winnebago and Lake Butte des Morts and another 18,000 acres of water when including Lake Winneconne and Lake Poygan, both of which are a short boat ride up the Wolf River. You'll also find more than 30 miles of walking and biking trails, which include two miles of paved Riverwalk along the beautiful Fox River in downtown Oshkosh.

Whatever your pleasure, we hope you find *your* perfect moment here in Oshkosh.

DESTINATION OUTDOORS

Seven satisfying attractions that will have you loving the outdoors.

Lake Winnebago

At nearly 132,000 acres, Lake Winnebago is the largest lake within the state. Visitors have access to the lake from numerous public boat landings and a public beach. The lake is well-known for Walleye fishing and Sturgeon spearing.

Menominee Park Zoo and Amusement Area

Located on the western shore of Lake Winnebago, this 100-acre park features an 8-acre zoo with 30-50 animals during the season, a Children's Amusement Center, paved trails, playgrounds, athletic fields and restrooms.

Terrell's Island

Terrell's Island is a 1,200-acre wetland conservation area just west of Oshkosh. There are three different trails including the popular 4-mile breakwall trail that goes out into Lake Butte des Morts.

Wiouwash Trail

The lower, 22-mile trail stretches from Oshkosh to Hortonville. Lake Butte des Morts, grassland prairies, wooded areas and farmland offer views of diverse landscapes and wildlife while the flat base makes the trail perfect for a variety of activities throughout the year.

Pollock Community Water Park

A great place to cool off during the summer, the water park features body and tube slides, zero depth entry area, lazy river, sand play area, splash pad, tot swim time in zero depth area, restroom/shower facilities and concessions. The waterpark is open June through August.

Riverwalk

The Riverwalk is a beautiful paved trail stretching for nearly two miles along both sides of the Fox River connecting Downtown Oshkosh to the Wiouwash Trail. Enjoy great views of the river and a variety of waterfront restaurants. Benches and parks along the Riverwalk offer relaxing picnic areas.

On the Loos Cruises

Relax and enjoy a leisurely, paddlewheel riverboat cruise up the historic Fox River to Lake Butte Des Morts, and returning to the Oshkosh Riverwalk. Schedule a cruise by calling 920-479-0270 or visiting ontheloosecruises.com.

The warm sun glistens on the gentle waves as you sip a local, craft brew and watch boats cruise through the water. Kids are playing games on the lush lawn and two tables over a young couple is laughing. Your mind starts to wander as you hear a familiar tune drift through the air. You turn your attention to the live band in the corner of the patio and notice the amber glow of the sunset dancing on the water to the rhythm of the song. The savory aroma of the grill tickles your taste buds and you realize this moment is absolutely perfect. Oshkosh is home to several waterfront dining locations. Seize the opportunity to sample them – there is one to please every palate.

EAT AND DRINK LIKE A SCONNIE

You don't have to be from Wisconsin to appreciate great traditions like dining at a supper, drinking old fashioned or snacking on cheese curds. No visit to Oshkosh is complete without indulging in our local flavors.

SUPPER CLUB – It's typically an older dining establishment with nostalgic décor on the walls and a dimly lit interior. Folks are relaxed, the pace is slow and the bar is filled with friends reminiscing and drinking hand-muddled brandy old fashioned. Specials include fish fry Fridays, prime rib Saturdays and broasted chicken Sundays. A few of the most popular supper clubs in the Oshkosh area are The Roxy, Parnell's Place and Wendt's on the Lake.

CHEESE CURDS – Deep-fried cheese... enough said. You'll find these all over town!

OLD FASHIONED – To order an old fashioned, just answer these two questions: Brandy or whiskey? Sour or sweet? If they serve alcohol, they'll know how to make an old fashioned.

(Insider tip: Our favorite old fashioned are muddled with an orange slice and maraschino cherries and topped with a garnish)

THREE CAMPUSES, ONE UNIVERSITY

UW OSHKOSH IS A UNIVERSITY LIKE NO OTHER.

In 2018, the University of Wisconsin Oshkosh expanded access to higher education in our region by joining with the University of Wisconsin-Fond du Lac and the University of Wisconsin-Fox Valley. Our students demonstrate on a daily basis what they can do to change the world.

At UW Oshkosh, we nurture openness, imagination, diversity and opportunity through nationally-accredited programs, quality services, community events and

business partnerships. We offer more general education and upper-level courses than ever before.

We're a proud member of the community, and we encourage you to visit our campuses!

We provide access to innovative resources, people and ideas through events and enrichment opportunities. Join us for a show in one of our theaters, a concert in our music halls or an athletics event featuring our championship teams.
