

OSHKOSH

A PLACE FOR EVERYONE

by Kathy Snell

Oshkosh is the place to be,
There's something for everyone
Just come and see!

Places to buy veggies and fruits,
Loads of events
This, one can't dispute!

There's music and food,
And all things brewed!

Fishing and boating,
Which we're always promoting!

People can come by boat, car or plane,
Just to enjoy and be entertained!

Come to relax or to play,
A place for everyone
To visit or stay!
