ZOO**

# CALL FOR MURALS

The City of Oshkosh Parks Department and Discover Oshkosh are seeking talented muralists to bring a vibrant, unified look to our beloved Menominee Park Zoo! This is a unique opportunity to be part of a large-scale creative project that will enhance the visual experience for thousands of visitors each year.

We are looking for artists or teams of artists to design and paint multiple exterior walls and full buildings throughout the zoo to create a cohesive and engaging visual theme that reflects the zoo's mission, animals, and environment, and complements the park around it.

The selected team will work with the Parks Department and Discover Oshkosh to determine final locations for all murals, but the project will likely include the Lake Fly Cafe entrance building and its adjacent storage structure, sections of the otter and bear exhibits, and the service building. The project may also include updates to two interactive displays.

Email [info@sparktowns.com](mailto:info@sparktowns.com) with any questions.

## **GO TO [VISITOSHKOSH.COM/ PLACEMAKING](https://www.visitoshkosh.com/placemaking) TO ACCESS THE APPLICATION**

Applications will be reviewed in two rounds. The first round invites any interested artist or artist team to submit samples of existing work, references, and a likely budget range for a project of this size. Advancing artists will be given a stipend to design concepts for the zoo. The artist or team selected from those concepts will work with the Parks Department and Discover Oshkosh to complete their designs and execute the murals.
