# TOGETHER

## **OVERLAND PARK**

We believe we're all better off when more time is spent together. That way when we meet again, it feels like a warm reunion at summer camp.

KCOP is small-town vibes with big-city perks. We're the world's best barbecue served by the smoker himself; don't-lift-a-finger service from smiling faces that call you by name; familiar favorites, yet always with something new to share. We make the magic happen so you can focus on one another. Look around and see for yourself - we can't wait to show you what it means to be better together.

## **WE ARE HERE**

Where we are is smack in the middle of the map. What we're not is flyover country. We are everything the coasts wish they were - adventure, innovation, culture and flavor together with friendly smiles, familiar faces and unwavering community. We are where y ou go to move forward while remembering what it's all about. We have the secret sauce to creating memorable experiences together. And we don't just mean our world famous barbecue - but there's that, too.

We're full of surprises and closer than you think. We'll see you when you get here.

#### **An Airplane Movie Away From the Coasts**

Kansas City International Airport (KCI) is close to three hours from either coast, making it easy to get together.

## **MEETINGS WITH A PURPOSE**

#### ~~~~~

#### **BEAR PROJECT**

PARTNER: Build-A-Bear | RECIPIENT: Children's Mercy Hospital

Build-A-Bear brings the workshop and magic to your group! Partner with a local children's hospital, school or shelter and channel your inner child as attendees build and stuff bears for kids in need.

#### COLLECTION DRIVE

PARTNER: Attendees | RECIPIENT: Charity of choice

Generate excitement by having an on-site collection drive! Toiletries, eyeglasses, coats and school supplies are always in demand. Partner with a local shelter or school, and encourage attendees to bring the items to the event with stories about the receiving organization and recipients.

#### **PB&J PROJECT**

#### PARTNER: Sheraton Hotel | RECIPIENT: KC Footprints

Create a fun competition with attendees that helps fight local hunger! During session breaks, teams make as many PB&J sandwiches as they can for hungry families in the KC area. Local hotel partners may assist in providing materials to make and package sandwiches.

#### TAKE IT OUTDOORS

PARTNER: Various | RECIPIENT: Charity of choice

Get some fresh air and cultivate attendees' creativity with an outdoor project. Grow team building skills and give back to the community by sprucing up a local children's playground or planting a flower or vegetable garden at a nursing home. Partner with a local resource to help offset the cost for a more sustainable project.

#### **VIP FUNDRAISING**

PARTNER: Various | RECIPIENT: Charity of choice

Host a VIP fundraising event before your conference even starts! This could be a golf tournament, hands-on cooking class or an exclusive behind-thescenes tour of a local attraction. How it works: Set the registration fee high enough to cover costs of the event plus a significant donation.
