PLEDGE OF ALLEGIANCE

JPA Chair, Gary Gardner, led the Pledge of Allegiance.

CONFIRMATION OF AGENDA

JPA Chair, Gary Gardner, asked whether there were any changes to the agenda. Hearing none, the agenda was confirmed.

PUBLIC COMMENT

This Public Comment period is for items that appear within the Consent Calendar or matters that are not listed on the agenda.

JPA Chair Gardner called for public comments. There were no public comments on record.

Presentation

Chad Mayes from Capitol Advocacy provided an overview of the 2023/2024 legislation and the priority legislation for 2025/2026.

There were 4,821 bills introduced during this last legislative session, which ended at midnight on August 31st.

The priority legislation for 25/26 includes ensuring SB584, the short-term rental tax law, stays dead.

AB2757 was vetoed by Governor Newsom but we hope to see it back next session. This bill would establish the Southeast California Economic Region (SECER) to promote regional economic development in those communities most impacted by the extraction and processing of lithium and other minerals from the Salton Sea and align state and federal programs, including the California Jobs First Regional Investment Initiative (RII).

AB2002, the blue envelope program bill, is dead. This would have allowed those with special needs to give law enforcement a blue envelope which holds a copy of the person's operator license, vehicle registration, and insurance card, along with specified information on the person with a condition or disability. We think this bill will be reintroduced next year.

AB3198, which would allow for cities and the county to join in a Joint Powers Authority (JPA) to create another entity to provide power in the Coachella Valley region without using the existing agency, passed.

Proposition 4, the climate bond, is a ten-billion-dollar bond. There are one hundred and seventy million earmarked for the Salton Sea, eleven million earmarked for the Coachella Valley Conservancy, and four hundred and fifty million for extreme heat mitigation. There are also hundreds of millions left for parks, water, and flood control. The vote has not yet been taken, however, if passed, that is significant dollars for the Coachella Valley.

There are 21 legislators within the Inland Empire, with only four in our region. It is important for the agencies within San Bernardino and Riverside County to put together a legislative summit to get all the legislators together to create an agenda that can have a real impact on the region. Capitol Advocacy will continue working on that goal.

APPROVAL OF MINUTES (All Vote)

CEO / PRESIDENT'S REPORT

The complete Board Packet can be viewed on our website [here](#), and a direct link to the presentation also available on our website is [here](#).

Scott White:

1. The American Travel Sentiment Study's national results show that a desire for experiences play an important role when selecting a destination, and for the most part, travelers are not changing their plans due to politics. For Greater Palm Springs, indigenous experiences are critical for our destination to stay relevant.
 2. Palm Springs International Airport now has twenty-eight non-stop flights across thirteen airlines through the end of the year. This includes the new flight to Dulles in Washington, D.C.
 3. VGPS is promoting our destination to the Olympic international teams to train prior to the 2028 Olympics being held in Los Angeles. We are working with Rod Davis, Davis Sports + Entertainment Consultant, on initiatives to host delegations fitting for VGPS based on venue and summer climate. The priority being sports that require minimal specialized equipment or set up.
 4. The TED Conference, one of TED's flagship events, changes locations every ten years. The 2027-2037 Sponsorship was sent out for bid, and Greater Palm Springs is one of three destinations they
-

are considering. We have solidified a sponsorship for their 2025 TED Conference taking place in Vancouver, Canada, and may also sponsor their Design Summit in 2027.

5. VGPS has hired the consultation group, Coraggio, to facilitate our Board Strategy Sessions to set our 2025-2027 Board Priorities, with results presented at our January 31, 2025, Board Meeting.
6. Board Member and Board Officers' election and renewals will take place at our December Board Meeting. The recommendation is to keep the same slate of officers for the 2025/2026 term.

Colleen Pace provided updates on Marketing, Sales, and Travel Trade:

Marketing:

Some highlights of VGPS's summer marketing.

This was our most successful co-op program to date, with 15 partners this year. Many adjusted their timing to include September.

VGPS also implemented high-impact advertising that increased our impressions by almost twenty million across all digital campaigns.

For the first time, VGPS participated in the Expedia National Brand campaign. - Next phase of that is VGPS aligning with their 2025 Trend Report, which will be aligned with "Detour Destinations" included in their 2025 trends in November.

The VRBO Summer Vacation Rental Campaign garnered 6.1 million impressions, and twenty-three thousand vacation rental nights which resulted in thirteen million dollars in revenue.

Summer Social Media Campaign reached 1.6 million people, gaining three thousand one hundred and seventy-eight new followers.

The New Brand Campaign has been a year-long process. We went out for competitive bids and selected Starfish as our production company. We chose 'Escape Your Ordinary' as the new brand campaign, which was launched this week with the start of fall.

Sales Report Out:

Our bookings and room nights are at 110% of our YTD Goal. Leads have stabilized compared to the last couple of years, but we're encouraged to see the next three years show as ahead of pace.

We had four partners join us for the ASAE Annual Meeting – where we hosted different events and activations. One event was a joint breakfast with Palm Beaches, where we had 100 attendees join us. This was to attract association business, since they rotate east-west.

Our sales team attended 11 sales trips and tradeshow from July – August, with 29 more planned for the next few months.

We are planning for the Maritz Sourcing Team to come out for an immersion experience, as well as the Palm Springs Film Festival Fam.

If interested in a full list of events for our team, please let Colleen know.

Travel Trade:

Our Travel Trade Sales Team participated in eighteen sales trips and trainings from July – September, connecting with clients across 11 countries. The team has twenty-four more sales trips, missions, tradeshow, and trainings in ten countries, planned for fall.

Todd Burke:

1. VGPS joined with Mattel to host a Barbie inspired art installation at the London Design Festival, which ran from September 14-22, 2024. 3 pieces were included, called the Pavilions of Wonder. This year's theme, "Play," allowed Greater Palm Springs and Barbie to come together to highlight our destination's outdoor wellness activities in addition to our iconic midcentury modern design.

This garnered two hundred twenty-seven million impressions, with an ad value of over 2.1 million dollars. A nationwide clip also ran on CBS Saturday morning, which had over two point six million broadcast viewers.

We had print in the Times of London, The Telegraph and a few other publications.

We hosted fifty media and content creators for a sneak peek of the installation, and dinner, before the festival started.

2. Media teams travel over the next few months include:
 - a. IGLTA in Osaka, followed by Tokyo to meet Luxury Media Journalists in October.
 - b. Korea & China with VC in November.
 - c. ITLM and VC France Media Mission in December.
3. GoPro is in the destination now, and SATW will be here next week.
4. Fall in-market media includes:
 - a. October - Modernism Week Fam,
 - b. November – UK/Irish Media, and VGPS hosted Pride Fam,
 - c. December – Media Fam to celebrate the new united flight from Dulles.
5. The Meet the Mentors program was even more successful this year.

Davis Meyer:

Economic Development – Sean Smith has been working with Northstar on our brand and marketing strategy for economic development, we are in the creative design phase.

We hosted a welcome reception for the ICSC group during their conference at PSCC this week, which was a great opportunity to connect with the Economic Development team members from the shopping centers.

We signed up for Jobs EQ, which is a robust platform that allows us to see very granular specific job data for the region, and it has been shared with our Economic Development TAC members. This is available to our cities to pull reports on data for their specific cities. We will be sharing with all of the Board soon.

This is the 3rd year we've hosted an Event Services Professional Celebration spearheaded by Elizabeth Jamison. Honored 11 professionals this year.

We have a partnership with the booking platform, Wheel of the World, which is for individuals with wheelchairs. We still have 19 spots available for partners – this is free – please sign up and reach out to Lauren Bruggemans with questions.

We had a very successful summer pilot Internship program with 6 hospitality students. We will be expanding this program next summer.

We are continuing our Autism Certification and would love to become a certified autism destination. We are only two hotels and one attraction away from becoming certified. Thank you to the city of Palm Desert for putting together the grant program to help us.

TEAM GPS is our Ambassador and Workforce Training program. Two hundred and twenty new champions have taken the course since we rolled it out this year. This is available for anyone to take, just go to goTeamGPS.com.

The Leadership Institute Certificate classes through COD start October 8th and are free through the Tourism Foundation for hospitality employees. You can find more information on goteamgps.com.

COH Awards on November 25th at the JW Marriott Desert Springs. We still have sponsorships available!

Recognized Board & JPA birthdays for July, August, and September.

Re: Resolution of Intention to Modify the Greater Palm Springs Tourism Business Improvement District

RECOMMENDATION:

That the Joint Powers Authority Executive Committee, serving as the governing body of Visit Greater Palm Springs, adopt and approve Resolution No. JPA 2024-011, declaring the JPA Executive Committee's intention to modify the existing Greater Palm Springs Tourism Business Improvement District.

BACKGROUND:

The Greater Palm Springs Tourism Business Improvement District (GPSTBID) is a benefit assessment district that provides a revenue source to help fund marketing and sales promotion efforts, as well as key priority projects for assessed Greater Palm Springs lodging businesses. The GPSTBID currently includes all lodging businesses with fifty (50) rooms or more and all vacation rentals located within the boundaries of the GPSTBID, including the cities of Desert Hot Springs, Palm Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, and Indio, and portions of the unincorporated area of Riverside County in the Coachella Valley.

The Property and Business Improvement District Law of 1994, Streets and Highways Code §36600 et seq., allows for the Owners' Association to request the JPA Executive Committee to modify the Management District Plan (Plan). Visit Greater Palm Springs is the Owners' Association of the GPSTBID and has requested that the JPA Executive Committee begin proceedings to modify the Plan. The proposed modification will modify the GPSTID boundaries to include the City of Coachella within its existing boundaries, effective July 1, 2025.

Coachella lodging business owners have expressed the desire to join the GPSTBID to increase overnight visitors and other benefits provided by the GPSTBID. Visit Greater Palm Springs now desires to build upon this success by modifying the Plan to include certain lodging businesses in the City of Coachella.

MANAGEMENT DISTRICT PLAN

The Plan (Attachment 1) includes the boundary of the GPSTBID, a service plan, budget and

a means of governance. The modified MDP boundaries include all lodging businesses with fifty (50) rooms or more and all vacation rentals located within the boundaries of the cities of Desert Hot Springs, Palm Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, Coachella, and Indio and portions of the unincorporated area of Riverside County in the Western Coachella Valley. The modified Plan with the addition of Coachella will take effect on July 1, 2025, and will continue until the expiration of the GPSTBID on June 30, 2031.

GPSTBID MODIFICATION PROCESS

December 13, 2024	RESOLUTION OF INTENTION HEARING Upon the submission of a written request by the Owners' Association, the JPA Executive Committee may initiate proceedings to modify the Plan by the adoption of a Resolution expressing its intention to modify the Plan.
January 31, 2025	PUBLIC MEETING Allow public testimony on the modification of the Plan. No JPA Executive Committee action required.
No later than February 18, 2025	NOTICE The 94 Law requires the JPA Executive Committee to mail written notice to the owners of all businesses proposed to be assessed within the GPSTBID. Mailing the notice begins a mandatory forty-five (45) day period in which assessed business owners may protest GPSTBID modification.
April 4, 2025	FINAL PUBLIC HEARING If written protests are received from the owners of businesses in the district which will pay more than 50 percent (50%) of the assessments proposed to be levied and protests are not withdrawn so as to reduce the protests to less than 50 percent (50%), no further proceedings to modify the Plan shall be taken for a period of one year from the date of the finding of a majority protest by the JPA Executive Committee. The existing GPSTBID would remain in place, unmodified. If the JPA Executive Committee, following the public hearing, decides to modify the Plan and expand the boundaries to include the City of Coachella, the JPA Executive Committee shall adopt a Resolution of Modification.

FISCAL IMPACT:

None immediately. Because the GSPTBID programs are intended to increase visitation to the Greater Palm Springs area, there may be an increase in transient occupancy tax and sales tax collections.

JOINT POWERS AUTHORITY EXECUTIVE COMMITTEE

RESOLUTION NO. JPA 2024-011

A RESOLUTION OF THE VISIT GREATER PALM SPRINGS JPA EXECUTIVE COMMITTEE DECLARING ITS INTENTION TO MODIFY THE MANAGEMENT DISTRICT PLAN OF THE GREATER PALM SPRINGS TOURISM BUSINESS IMPROVEMENT DISTRICT (GPSTBID) AND FIXING THE TIME AND PLACE OF A PUBLIC MEETING AND A PUBLIC HEARING THEREON AND GIVING NOTICE THEREOF

WHEREAS, the JPA Executive Committee created the GPSTBID on June 17, 2016 by Resolution No. JPA 2016-004; and

WHEREAS, the JPA Executive Committee renewed the GPSTBID for a ten (10) year term which ends on June 30, 2031 by Resolution No. JPA 2020-005; and

WHEREAS, the Property and Business Improvement Law of 1994, Streets and Highways Code §36600 et seq., allows boards created pursuant to a joint powers agreement to modify the GPSTBID at the request of the Owners' Association; and

WHEREAS, the GPSTBID Owners' Association, Visit Greater Palm Springs, has requested modification of the GPSTBID and by extension the Management District Plan to include the City of Coachella within the boundaries of the GPSTBID; and

NOW, THEREFORE, BE IT RESOLVED BY THE JPA EXECUTIVE COMMITTEE THAT:

1. The recitals set forth herein are true and correct.
2. The JPA Executive Committee declares its intention to modify the GPSTBID and the Management District Plan and finds that the modified Management District Plan satisfies all requirements of Streets and Highways Cost Section 36622.
3. The GPSTBID currently includes all lodging businesses with fifty (50) rooms or more and all vacation rentals located within the boundaries of the cities of Desert Hot Springs, Palm Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, and Indio and portions of the unincorporated area of Riverside County in the Western Coachella Valley. The proposed modification of the GPSTBID Management District Plan will modify the existing boundaries of the GPSTBID to include the City of Coachella, effective July 1, 2025, or as soon as possible thereafter, as shown in Exhibit A, attached hereto and incorporated herein by reference.
4. The time and place for the public meeting for comments on the modified GPSTBID Management District Plan are set for January 31, 2025, at 8:30AM, or as soon as possible thereafter as the matter may be heard, at the Agua Caliente Resort Casino Spa Rancho Mirage, in the Cahuilla Ballroom, 32-250 Bob Hope Dr, Rancho Mirage, CA 92270.

5. The time and place for the public hearing on modification of the GPSTBID Management District Plan are set for April 4, 2025, at 8:30AM, or as soon as possible thereafter as the matter may be heard, at The Ritz-Carlton, Rancho Mirage, in The Ritz-Carlton Ballroom, 68900 Frank Sinatra Dr, Rancho Mirage, CA 92270. The Clerk of the JPA Executive Committee is directed to provide written notice to the assessed businesses subject to assessment of the date and time of the meeting and hearing, and to provide that notice as required by Streets and Highways Code § 36623, no later than February 18, 2025.

6. At the public meeting and hearing, the testimony of all interested persons for or against the modification of the GPSTBID may be received. If at the conclusion of the public hearing, there are of record written protests by the owners of the lodging businesses within the modified GPSTBID that will pay fifty percent (50%) or more of the estimated total assessment of the entire GPSTBID, no further proceedings to modify the GPSTBID shall occur for a period of one (1) year.

7. The complete Management District Plan is on file with the Clerk of the JPA Executive Committee and may be reviewed upon request.

8. This resolution shall take effect immediately upon its adoption by the JPA Executive Committee.

I HEREBY CERTIFY that the foregoing Resolution of Intention was introduced and adopted at a regular meeting of the City Council on the 13th day of December 2024 by the following vote:

**NOTICE OF PUBLIC MEETING AND PUBLIC HEARING CONCERNING THE
MODIFICATION OF THE GREATER PALM SPRINGS TOURISM BUSINESS
IMPROVEMENT DISTRICT (GPSTBID)**

NOTICE IS HEREBY GIVEN that on December 13, 2024, the Joint Powers Authority Executive Committee (JPA Executive Committee) of Visit Greater Palm Springs adopted a Resolution of Intention to modify the Management District Plan (Plan) of the Greater Palm Springs Tourism Business Improvement District (GPSTBID) to include the City of Coachella within the GPSTBID boundaries.

NOTICE IS HEREBY FURTHER GIVEN that at 8:30 AM on January 31, 2025, at the Agua Caliente Resort Casino Spa Rancho Mirage, in the Cahuilla Ballroom, 32-250 Bob Hope Dr, Rancho Mirage, CA 92270, a public meeting shall be held pursuant to Government Code section 54954.6 to allow public testimony regarding the modification of the GPSTBID Plan as set forth in the Resolution of Intention and pursuant to Government Code section 54954.6.

NOTICE IS HEREBY FURTHER GIVEN that 8:30 AM on April 4, 2025, at the Ritz-Carlton, Rancho Mirage, in the Ritz-Carlton Ballroom, 68900 Frank Sinatra Dr, Rancho Mirage, CA 92270, has been set as the time and place for a public hearing at which time the JPA Executive Committee proposes to modify the GPSTBID Plan as set forth in the Resolution of Intention.

Location: The GPSTBID includes all lodging businesses with fifty (50) rooms or more and all vacation rentals located within the boundaries of the cities of Desert Hot Springs, Palm Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, Coachella, and Indio and portions of the unincorporated area of Riverside County in the Western Coachella Valley.

Services: The GPSTBID is designed to provide specific benefits directly to payors by creating sales and marketing programs with the goal of increasing overnight visitation and room night sales. In addition to sales and marketing programs, the Visit Greater Palm Springs (VGPS) Board of Directors will establish key priorities each year. For example: key programs may include air service and rail development, work force development, research and analytics, educational support, and more.

Budget: The estimated GPSTBID assessment budget for FY2025-26 is anticipated to be approximately \$25,000,000. A similar budget is expected to apply to subsequent years, but this budget is expected to fluctuate as room sales do.

Cost: The annual assessment rate is three percent (3%) of hotels' gross short-term room rental revenue, and one percent (1%) of vacation rentals' gross short-term room rental revenue. Based on the benefit received, assessments will not be collected on stays of more than twenty-seven (27) consecutive days.

Collection: VGPS, the Cities and/or County will be responsible for collecting the assessment on a monthly basis (including any delinquencies, penalties and interest) from each lodging business with fifty (50) rooms or more and each vacation rental located in the boundaries of the GPSTBID. VGPS, the Cities and/or County shall take all reasonable efforts to collect the assessments from each assessed business.

Duration: The GPSTBID was renewed for a ten (10) year life, beginning July 1, 2021 through June 30, 2031. Once per year, beginning on the anniversary of TBID renewal, there is a thirty (30)

day period in which owners paying fifty percent (50%) or more of the assessment may protest and initiate a hearing on GPSTBID termination.

Management: VGPS is charged with managing funds and implementing programs.

Protest: Any owner of a lodging business within the modified GPSTBID that will be subject to the assessment may protest the modification of the GPSTBID. If written protests are received from the owners of lodging businesses in the modified GPSTBID who represent fifty percent (50%) or more of the estimated annual assessments to be levied, the GPSTBID shall not be modified and the assessment shall not be imposed.

You may mail a written protest to:

Clerk of the Executive Committee
Greater Palm Springs Convention & Visitors Bureau
70100 Highway 111
Rancho Mirage, CA 92270

You may also appear at the public meeting or hearing and submit a written protest at that time.

I. OVERVIEW

Developed by ~~theVisit~~ Greater Palm Springs ~~Convention & Visitors Bureau (CVB)~~(VGPS) and Greater Palm Springs lodging businesses, the Greater Palm Springs Tourism Business Improvement District (TBID) is an assessment district proposed to provide specific benefits to payors, by funding tourism marketing and sales promotion efforts for assessed businesses. This approach has been used successfully in other destination areas throughout the country to provide the benefit of increased overnight visitors and additional room night sales directly to payors. In 2024, the TBID and this Management District Plan were modified to include the City of Coachella in the TBID boundaries, which shall go into effect on July 1, 2025.

Location: The ~~renewed~~ TBID includes all lodging businesses with fifty (50) rooms or more and all vacation rentals located within the boundaries of the cities of Desert Hot Springs, Palm Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, Coachella, and Indio and portions of the unincorporated area of Riverside County in the Western Coachella Valley, as shown on the map in Section IV. A detailed map series can be found in Appendix 4.

Services: The TBID is designed to provide specific benefits directly to payors by creating sales and marketing programs with the goal of increasing overnight visitation and room night sales. In addition to sales and marketing programs, ~~the CVB~~VGPS Board of Directors will establish key priorities each year. For example: key programs may include air service and rail development, work force development, research and analytics, educational support, and more.

Budget: The total TBID annual assessment budget for the initial year of its ten (10) year operation is anticipated to be approximately \$17,000,000. The assessment funds will be supplemented with non-assessment funds, so that the total budget for the initial year is estimated at \$20,732,000. In 2024, the projected total TBID budget is approximately \$25,000,000 and will continue to fluctuate as room sales do.

Cost: The annual assessment rate is three percent (3%) of hotels' gross short-term room rental revenue, and one percent (1%) of vacation rentals' gross short-term room rental revenue. Based on the benefit received, assessments will not be collected on stays of more than twenty-seven (27) consecutive days.

Collection: ~~The CVB~~VGPS, Cities and/or County will be responsible for collecting the assessment on a monthly basis (including any delinquencies, penalties and interest) from each lodging business with fifty (50) rooms or more and each vacation rental located in the boundaries of the TBID. ~~The CVB~~VGPS, Cities

and/or County shall take all reasonable efforts to collect the assessments from each assessed business.

Duration: The renewed TBID will have a ten (10) year life, beginning July 1, 2021 through June 30, 2031. Once per year, beginning on the anniversary of TBID renewal, there is a thirty (30) day period in which owners paying fifty percent (50%) or more of the assessment may protest and initiate a hearing on TBID termination.

Management: ~~The CVB~~VGPS is charged with managing funds and implementing programs in accordance with this Plan.

II. BACKGROUND

TBIDs are an evolution of the traditional Business Improvement District. The first TBID was formed in West Hollywood, California in 1989. Since then, over 100 California destinations have followed suit. In recent years, other states have begun adopting the California model – Montana, South Dakota, Washington, Colorado, Texas and Louisiana have adopted TBID laws. Several other states are in the process of adopting their own legislation. The cities of Wichita, Kansas and Newark, New Jersey used an existing business improvement district law to form a TBID. And, some cities, like Portland, Oregon and Memphis, Tennessee have utilized their home rule powers to create TBIDs without a state law.

California's TBIDs collectively raise over \$427 million annually for local destination marketing. With competitors raising their budgets, and increasing rivalry for visitor dollars, it is important that Greater Palm Springs lodging businesses and vacation rentals invest in stable, industry-specific programs.

TBIDs utilize the efficiencies of private sector operation in

the market-based promotion of tourism districts. TBIDs allow assessed business owners to organize their efforts to increase demand for overnight visitation and room night sales. Assessed business owners within the TBID pay an assessment and those funds are used to provide services that increase demand for overnight visitation and room night sales.

In California, TBIDs are formed pursuant to the Property and Business Improvement District Law of 1994. This law allows for the creation of a benefit assessment district to raise funds within a specific geographic area. *The key difference between TBIDs and other benefit assessment districts is that funds raised are returned to the private non-profit corporation governing the district.*

There are many benefits to TBIDs:

- Funds must be spent on services and improvements that provide a specific benefit to those who pay;
- Funds cannot be diverted to general government programs;
- They are customized to fit the needs of payors in each destination;
- They allow for a wide range of services;
- They are **designed, created and governed by those who will pay** the assessment; and
- They provide a stable, long-term funding source for tourism promotion.

III. ACCOMPLISHMENTS

The following examples demonstrate how ~~the CVB~~VGPS has utilized Tourism Business Improvement District funds to create ongoing increased demand for overnight visitation and room night sales.

Improved Brand Image - According to SMARI's 2018 Image Awareness Study, significant gains were seen since the 2011 study in perceptions of Greater Palm Springs across all image attributes, from safety and atmosphere to natural beauty and affordability.

Increased Demand for Lodging - In 2009, the annual occupancy was 50%. Since the Tourism Business Improvement District went into effect in 2009, assessed lodging businesses in Greater Palm Springs have seen a steady increase in demand, stimulating sustained economic development and growth. And ~~CVB~~VGPS-generated lodging revenues grew from \$984 million in 2013 to \$1.735 billion in 2019. Average annual hotel occupancy grew from 58% in 2013 to over 62% in 2019.

Increased Average Daily Rate and RevPAR - The average daily rate grew 27% from \$129.00 in 2013 to over \$165.00 in 2019. RevPAR grew 38% from \$77.43 in 2013 to \$107.04 in 2019.

Growth of Air Service - Air service (number of airlines and flights serving PSP) increased 53% from 2013 to 2019 in Greater Palm Springs. The current 29,096 annual flights into Palm Springs International Airport (PSP) equates to a capacity of 3,274,729 annual passenger seats in and out of PSP. Improved accessibility translates to visitation growth from both nonstop and connecting fly (vacation) markets. There are currently more than 20 cities with nonstop air service to PSP. Notable flight additions in 2019 include Alaska Airlines' Everett (WA) service, Contour Airlines' Sacramento flight and Delta's Atlanta flight offered 4 times per week.

Event Attraction - Tourism Business Improvement District marketing funds enabled ~~the CVB~~VGPS to attract large-scale, high-profile events such as IRONMAN 70.3 Indian Wells-La Quinta, as well as help manage Greater Palm Springs Restaurant Week which is promoted in the Southern California drive markets. Events of this nature help grow overnight visitation in shoulder seasons and increase awareness of the destination.

Convention Sales - ~~The CVB's~~VGPS's convention sales team secured 2,269 meetings for assessed lodging businesses between 2013 and 2019, accounting for 1,580,613 room nights and an estimated economic impact of \$1.2 billion.

Tourism Development - Between 2013 and 2019, the Tourism Development team connected with 51,405 travel professionals in the top 15 countries sending the most visitors to California. These agents and tour operators are particularly influential in converting off-peak and shoulder season bookings.

Building Awareness - Paid advertising raised awareness from 1.7 billion annual impressions in 2014 to 43 billion annual impressions in 2019. The Greater Palm Springs brand reached

prospective travelers on television, online, out-of-home and in print via regional and national distribution channels.

Media Buzz - ~~The CVB's~~VGPS's media relations program secured feature stories to complement paid advertising and content initiatives while amplifying the region's new product developments. Since 2013, the destination benefitted from 2,780 placements yielding more than 8.45 billion impressions in influential editorial outlets, including leading wire services, newspapers, lifestyle magazines, websites, podcasts, broadcast television programs and radio networks.

Social Media - Between 2014 and 2019, ~~the CVB's~~VGPS's social media audience grew 350% to over 425,000 followers across Facebook, Instagram and Twitter. Since 2013, destination and attraction videos posted by ~~the CVB~~VGPS received over 20 million views. Seasonal campaigns further increased engagement and drove off-season bookings. New channels have also been introduced, including a Weibo account to reach the lucrative, high-volume China market; a meetings awareness campaign; and Instagram and Twitter accounts dedicated to the culinary scene in Greater Palm Springs.

Website Optimization - In 2018, ~~the CVB~~VGPS relaunched the destination website on a new platform to better optimize SEO, facilitate mobile-first response and ensure the website offers an improved user experience. Organic traffic increased 96% over 2017 and mobile use increased by 171%.

Tourism Ambassador Program - ~~The CVB~~VGPS debuted a Certified Tourism Ambassador (CTA) program with the aim of increasing tourism by providing training for any individual who comes into contact with visitors. These front-line destination ambassadors help to ensure all visitors have a positive experience in the destination. This is critical for driving repeat overnight visitation and word-of-mouth promotion of the destination. As of February 29, 2020, 500 CTAs have been trained.

TOT Growth - ~~The CVB's~~VGPS's marketing efforts attract more overnight visitors to the destination, increasing TOT collections for the cities and counties served by the Tourism Business Improvement District. Growing TOT translates to increased budgets for important public services such as police, firefighters, education and more.

IV. BOUNDARY

The TBID will include all lodging businesses with fifty (50) rooms or more and all vacation rentals, existing and in the future, available for public occupancy within the boundaries of the cities of Desert Hot Springs, Palm Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, Coachella, and Indio and portions of the unincorporated area of Riverside County in the Western Coachella Valley. In 2024, the TBID and this Management District Plan was modified to include the City of Coachella in the TBID boundaries.

Lodging business means: any structure, which is occupied or intended or designed for use or occupancy by transients, including but not limited to hotels, resorts, motels, inns, and time-shares.

Vacation rental means: any privately-owned dwelling, rented for occupancy, lodging, or sleeping purposes and in possession of a valid permit or certificate within its jurisdiction to authorize operation as a vacation rental, vacation rental unit, short-term vacation rental, or short-term rental business.

The boundary is shown in the map below. A complete listing of lodging businesses with fifty (50) rooms or more and all vacation rentals within the ~~renewed~~modified TBID can be found in Appendix 2. A detailed map series can be found in Appendix 4.

The lodging business list was compiled from records provided by each jurisdiction. The list was developed with the most reliable information provided, however, the list may contain discrepancies due to any of the following reasons: 1) The short-term vacation rentals included in the list are businesses that have obtained a permit or license to operate as a short-term vacation rental at the time of formation, and does not include short-term vacation rentals that are not permitted or licensed to operate as a short-term vacation rental; 2) Vacation rentals may cease operation with little or no notice, and may no longer be operating as a short-term rental; and 3) the short-term vacation rental list was compiled based on the dates shown in Appendix 2, and may not include short-term vacation rentals that began operation after the dates listed.

V. BUDGET AND SERVICES

A. Annual Service Plan

Assessment funds will be spent to provide specific benefits conferred or privileges granted directly to the payors that are not provided to those not charged, and which do not exceed the reasonable cost to ~~the CVBVGPS~~ of conferring the benefits or granting the privileges. The privileges and services provided with the TBID funds are sales and marketing programs available only to assessed businesses. The assessment rate for each lodging business type will be commensurate with privileges and services provided to assessed businesses as detailed in Appendix 3.

A service plan budget has been developed to deliver services that benefit the assessed businesses. A detailed annual budget will be developed and approved by ~~the CVBVGPS~~. The table below illustrates the initial annual assessment budget allocations. The total initial assessment budget is \$17,000,000.

Initial Annual Assessment Budget - \$17,000,000

Although actual revenues will fluctuate due to market conditions, the proportional allocations of the budget shall remain the same. However, ~~the CVBVGPS~~ shall have the authority to adjust budget allocations between the categories by no more than twenty-five percent (25%) of the total budget per year. A description of the proposed improvements and activities for the initial year of operation is below. The same activities are proposed for subsequent years. In the event of a legal challenge against the TBID, any and all assessment funds may be used for the costs of defending the TBID.

Each budget category includes all costs related to providing that service, in accordance with Generally Accepted Accounting Procedures (GAAP). For example, the sales and marketing budget includes the cost of staff time dedicated to overseeing and implementing the sales and marketing program. Staff time dedicated purely to

administrative tasks is allocated to the administrative portion of the budget. The costs of an individual staff member may be allocated to multiple budget categories, as appropriate in accordance with GAAP. The staffing levels necessary to provide the services below will be determined by ~~the CVB~~VGPS on an as- needed basis.

Sales and Marketing

Develop an annual sales and marketing program designed to generate demand for the assessed businesses targeting leisure, meetings and events. Develop marketing programs to attract visitors for the shoulder and summer months. Based on the Strategic Plan, develop programs to support transportation (air service / rail), workforce development and hospitality educational schools. Position the destination as sustainable and relevant to the modern traveler. Assessed businesses will receive services commensurate with the benefit received as shown in Appendix 3. The sales and marketing plan may include, without limitation, the following activities:

- Ongoing development and implementation of a Destination Development Plan. This plan outlines a strategy for attracting visitors to Greater Palm Springs and is implemented through geographic, demographic and behavioral targeting designed to reach the right people at the right time with the right message.
- Free and paid co-op marketing opportunities will be available to assessed business to further support and promote visitation to Greater Palm Springs.
- Destination industry advocacy and communications to educate elected officials, affected stakeholders and the public on initiatives designed to increase overnight visitation and room sales to assessed businesses.
- Internet marketing efforts to increase awareness and optimize internet presence to drive demand for overnight visitation and room sales to assessed businesses.
- Media placement in print, TV, audio, billboard, and digital platforms targeted at potential visitors to drive demand for overnight visitation and room sales to assessed businesses.
- Event and attraction promotion and marketing sponsorship initiatives designed to increase overnight visitation and room sales to assessed businesses.
- Industry research designed to increase the effectiveness of District media and marketing programs.
- Convention sales programs and initiatives designed to increase overnight visitation and room sales to assessed businesses.
- Air and rail service development and strategic marketing partnerships designed to increase demand for overnight visitation and room sales to assessed businesses.
- Attendance of trade shows to promote assessed businesses.
- Sales missions and client events for assessed businesses.
- Familiarization tours and site visits of assessed businesses;
- Preparation and production of collateral promotional materials such as brochures, flyers and maps featuring assessed businesses.
- Attendance of professional industry conferences and affiliation events to promote assessed businesses.
- Lead generation activities designed to attract tourists and group events to assessed businesses.
- Educational meetings to plan and coordinate tourism promotion efforts for assessed businesses.
- Workforce development strategies, research and/or programs designed to

improvement the visitor experience and increase demand for overnight visitation and room sales to assessed businesses.

- Hospitality education and training support aimed at improving the visitor experience leading to increased demand for overnight visitation and room sales to assessed businesses.
- Development and maintenance of a website designed to promote assessed businesses.
- Development and maintenance of a website for visitors or prospective vacation rental home owners with the regulations and education explained for each area within the GPSTBID; and
- Develop media or marketing efforts to educate the public on the guidelines around renting and managing a vacation rental within the GPSTBID.

Administration and Operations

The administration and operations portion of the budget shall be utilized for administrative staffing costs, office costs, and other general administrative costs such as insurance, legal, and accounting fees. A portion of this budget may also be utilized to support tracking and reporting of illegal vacation rentals to the areas within the GPSTBID.

Contingency/Reserve

The budget includes a contingency line item to account for uncollected assessments, if any. If there are contingency funds collected, they may be held in a reserve fund or utilized for other program, administration or renewal costs at the discretion of ~~the~~ CVBVGPS. Policies relating to contributions to the reserve fund, the target amount of the reserve fund, and expenditure of monies from the reserve fund shall be set by ~~the~~ CVBVGPS. The reserve fund may also be used for the costs of renewing the TBID.

B. Annual Assessment Budget

The total ten (10) year improvement and service plan assessment budget is projected at approximately \$17,000,000 annually, or \$170,000,000 through 2031. This amount may fluctuate as sales and revenue increase at assessed businesses.

C. California Constitutional Compliance

The TBID assessment is not a property-based assessment subject to the requirements of Proposition 218. The Court has found, "Proposition 218 limited the term 'assessments' to levies on real property."¹ Rather, the TBID assessment is a business-based assessment, and is subject to Proposition 26. Pursuant to Proposition 26 all levies are a tax unless they fit one of seven exceptions. Two of these exceptions apply to the TBID, a "specific benefit" and a "specific government service." Both require that the costs of benefits or services do not exceed the reasonable costs to the local government, in this case ~~the~~ CVBVGPS, of conferring the benefits or providing the services.

1. Specific Benefit

Proposition 26 requires that assessment funds be expended on, "a specific benefit conferred or privilege granted directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of

¹ *Jarvis v. the City of San Diego* 72 Cal App. 4th 230

conferring the benefit or granting the privilege.”² The services in this Plan are designed to provide targeted benefits directly to assessed businesses, and are intended only to provide benefits and services directly to those businesses paying the assessment. These services are tailored not to serve the general public, businesses in general, or parcels of land, but rather to serve the specific assessed businesses within the TBID. The activities described in this Plan are specifically targeted to increase room night sales for assessed businesses within the boundaries of the TBID, and are narrowly tailored. TBID funds will be used exclusively to provide the specific benefit of increased demand for overnight visitation and room night sales directly to the assessed businesses. Assessment funds shall not be used to feature non-assessed lodging businesses and non-assessed vacation rentals in TBID programs, or to directly generate sales for non-assessed businesses. The activities paid for from assessment revenues are for business services constituting and providing specific benefits to the assessed businesses.

The assessment imposed by this TBID is for a specific benefit conferred directly to the payors that is not provided to those not charged. The specific benefit conferred directly to the payors is an increase in demand for overnight visitation and room night sales. The specific benefit of an increase in demand for overnight visitation and room night sales for assessed businesses will be provided only to businesses paying the district assessment, with sales and marketing programs promoting businesses paying the district assessment. The sales and marketing programs will be designed to increase demand for overnight visitation and room night sales at each assessed business. Because they are necessary to provide the sales and marketing programs that specifically benefit the assessed businesses, the administration and contingency/reserve services also provide the specific benefit of increased demand for overnight visitation and room night sales to the assessed businesses.

Although the TBID, in providing specific benefits to payors, may produce incidental benefits to non-paying businesses, the incidental benefit does not preclude the services from being considered a specific benefit. The legislature has found that, “A specific benefit is not excluded from classification as a ‘specific benefit’ merely because an indirect benefit to a nonpayer occurs incidentally and without cost to the payor as a consequence of providing the specific benefit to the payor.”³

2. Specific Government Service

The assessment may also be utilized to provide, “a specific government service or product provided directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of providing the service or product.”⁴ The legislature has recognized that marketing and promotions services like those to be provided by the TBID are government services within the meaning of Proposition 26⁵. Further, the services provided with TBID funds will be implemented by ~~the CVBGPS~~ which is a California Joint Powers Authority. Further, the legislature has determined that “a specific government service is not excluded from

² Cal. Const. art XIII C § 1(e)(1)

³ Government Code § 53758(a)

⁴ Cal. Const. art XIII C § 1(e)(2)

⁵ Government Code § 53758(b)

classification as a 'specific government service' merely because an indirect benefit to a nonpayor occurs incidentally and without cost to the payor as a consequence of providing the specific government service to the payor."⁶

3. Reasonable Cost

TBID services will be implemented carefully to ensure they do not exceed the reasonable cost to the local government of such services. The full amount assessed will be used to provide the services described herein. Only assessed businesses will be featured in marketing materials, receive sales leads generated from district-funded activities, be featured in advertising campaigns, and benefit from other district-funded services. Non-assessed businesses will not receive these, nor any other, district-funded services and benefits.

The TBID-funded programs are all targeted directly at and feature only assessed businesses. It is, however, possible that there will be a spill over benefit to non-assessed businesses. If non-assessed businesses receive incremental room nights, that portion of the promotion or program generating those room nights shall be paid with non-TBID funds. TBID funds shall only be spent to benefit the assessed businesses, and shall not be spent on that portion of any program which directly generates incidental room nights for non-assessed businesses.

4. Benefit to NonPayors

The specific benefits provided by the TBID will only be directly provided to the assessed businesses; they will not be directly provided to non-assessed businesses. Possible indirect benefit does not preclude the TBID services from being considered a specific benefit. The legislature has directly indicated, in the context of tourism business improvement districts, that services are not precluded from classification as a specific benefit merely because an indirect benefit to a nonpayor occurs as a consequence of providing the service and without cost to the payor.⁷

Although the legislature does not require the cost of any incidental benefit to non-payors be separated from the assessment, out of an abundance of caution a study was conducted on benefit generated by the TBID programs. The study is attached as Appendix 5. The study found that eighteen percent (18%) of marketing programs generate incidental room night sales at non-assessed lodging businesses. Although it is not required, the portion of programs that generate this benefit will be paid for with non-assessment funds. Assessment funds will only fund that portion of the programs (eighty-two percent (82%)) which represents a specific benefit to the assessed businesses. For example, if a program costs \$100,000 total, the TBID will fund \$82,000 and the remaining \$18,000 will be sourced from non-assessment funds.

The amount of the assessment is no more than necessary to cover the reasonable costs of the proposed activities, and the manner in which the costs are allocated to a business owner bear a fair share or reasonable relationship to the businesses' benefits received

⁶ Government Code § 53758(b)

⁷ AB 483 Ting (2014)

from the proposed activities. The benefit study in Appendix 5 found that the benefits provided by the TBID do not exceed the reasonable cost.

The programs provided with TBID funding receive additional non-assessment funding in the form of grants, corporate sponsorships, event income, transient occupancy tax, and other funds. These funding sources shall be equal to or exceed the amount of benefit conferred to non-payers annually by the TBID's services. These non-assessment funds will be used to pay for the benefit to non-payers provided by the proposed services, ensuring that assessments will only be used to provide benefits to assessed businesses.

D. Assessment

The annual assessment rate is three percent (3%) of gross short-term room rental revenue of all lodging businesses within the boundaries of the TBID with fifty (50) rooms or more, and one percent (1%) of gross short-term room rental revenue of all vacation rentals. Based on the benefit received, assessments will not be collected on stays of more than twenty-seven (27) consecutive days. Every vacation rental, listing a property or room for rent, operating on a Hosting Platform shall be subject to the 1% assessment.

The determination of the assessment rates of 3% on hotels and 1% on vacation rentals was calculated based on benefit received by the payors. The services provided are targeted to benefit payors, however not all programs benefit payors equally. The extensive convention sales and meetings program included in the budget is designed to benefit hotels and not provide benefit to vacation rentals. The marketing program benefits both hotels and vacation rentals. At the time of the renewal, TBID payors include approximately 6,200 vacation rentals and approximately 15,900 hotel rooms. Vacation rental tracking in the TBID area indicates that vacation rentals have approximately 2.8 rooms per rental, totaling 17,360 rooms. Because several of the jurisdictions within the TBID are banning vacation rentals in parts of their communities, we expect the number of vacation rental rooms to decline and parallel the number of hotel rooms. As a result, the approximate ratio of hotel rooms to vacation rental rooms is 1:1.

The detailed funding analysis provide by Tourism Economics in Appendix 5 found that the total revenue raised, because of the TBID programs, for all lodging properties within the TBID is \$458m million per year. Of the \$458 million, \$245 million is raised because of the marketing program and \$213.3m is raised because of the convention sales program. The marketing program benefits vacation rentals and hotels. Based on the 1:1 relationship of room counts, we estimate that the marketing program will benefit hotels and vacation rentals at approximately the same rate. The convention sales program benefits are targeted to hotels only. Based on the nature of the programs and the Tourism Economics calculations, the hotel benefit from the convention sales would be \$213.3 million. The half of the benefit flowing to hotels from the marketing program totals \$122.7 million. These two figures added together total \$336m. The half of the benefit flowing to vacation rentals is \$122.27 million. The ratio of these benefits is approximately 3:1, matching the ratio of the assessment rates.

The term "gross short-term room rental revenue" as used herein means: the consideration charged, whether or not received, for the occupancy of space in a lodging business or

vacation rental valued in money, whether to be received in money, goods, labor or otherwise, including all receipts, cash, credits and property and services of any kind or nature, without any deduction therefrom whatsoever. Gross short-term room rental revenue shall not include any federal, state or local taxes collected, including but not limited to transient occupancy taxes.

The assessment revenue collected from hotels and short-term vacation rentals will be tracked separately by ~~the CVBVGPS~~. The funds will be allocated on a percentage basis for each sales and marketing program, ~~CVBVGPS~~ staff, administrative expenses, research and management of the TBID to reflect the separate benefit received by hotels and short-term vacation rentals. Additionally, an advisory group will be established for each lodging business type; hotels and short-term vacation rentals. The advisory group(s) will set priorities, marketing strategies, budgets and metrics for evaluation.

The assessment rate for each lodging business type will be commensurate with privileges and services provided to assessed businesses. Hotels will have the exclusive privilege to participate or be represented in, and receive a specific benefit from, but not limited to, convention sales programs and initiatives, Hotel General Manager and Director of Sales meetings to plan and coordinate tourism promotion efforts, lead generation activities designed to attract group business and events, and sales blitzes, as detailed in Appendix 3.

The assessment is levied upon and is a direct obligation of the assessed business. However, the assessed business may, at its discretion, pass the assessment on to transients. The amount of assessment, if passed on to each transient, shall be disclosed in advance and separately stated from the amount of rent charged and any other applicable taxes, and each transient shall receive a receipt for payment from the business. If the TBID assessment is identified separately, it shall be disclosed as the "Tourism Business Improvement District Assessment." As an alternative, the disclosure may include the amount of the TBID assessment and the amount of the assessment imposed pursuant to the California Tourism Marketing Act, Government Code §13995 et seq. and shall be disclosed as the "Tourism Assessment." The assessment is imposed solely upon, and is the sole obligation of the assessed business even if it is passed on to transients. The assessment shall not be considered revenue for any purpose, including calculation of transient occupancy taxes.

An assessed business may use a hosting platform to list their vacation rental. "Hosting Platform" means a natural person, joint venture, joint stock company, partnership, association, club, company corporation, business trust, or organization of any kind who participates in the short-term rental business by facilitating a booking transaction using any medium of facilitation. If a hosting platform is used to facilitate a booking transaction, the business owner is still solely responsible for ensuring the assessment is remitted for each short-term stay.

Bonds shall not be issued.

E. Penalties and Interest

The TBID shall reimburse ~~the CVBVGPS~~, Cities and/or County for any costs associated with collecting unpaid assessments. Assessed businesses which are delinquent in paying the assessment shall be responsible for paying:

1. Original Delinquency: Any assessed business which fails to remit any assessment within the time required shall pay a penalty of ten percent (10%) of the amount of the assessment in addition to the amount of the assessment; provided, however, that if such ten percent (10%) penalty should exceed the maximum penalty permitted by law, then the penalty shall be the highest amount permitted by law.
2. Penalty Delinquency: Any assessed business which fails to remit any penalty within ten (10) days after receipt of notice thereof shall pay interest on the penalty at the rate of one percent (1%) per month or fraction thereof on the amount of the penalty from the date on which the penalty first became due until full and complete payment of the outstanding penalty; provided, however, that if such one percent (1%) interest should exceed the maximum rate permitted by law, then the interest rate shall be the highest rate permitted by law.
3. Interest: In addition to the penalties imposed, any assessed business which fails to remit any assessment shall pay interest at the rate of one percent (1%) per month or fraction thereof on the amount of the assessment from the date on which the assessment first became delinquent until paid; provided, however, that if such one percent (1%) interest should exceed the maximum rate permitted by law, then the interest rate shall be the highest rate permitted by law.
4. Costs of Collecting Delinquencies: Any assessed business shall also be subject to the payment of the costs of collecting any delinquent assessment and/or penalty, including but not limited to sending notices and initiating collection actions, which shall become a part of the assessment required to be paid. All delinquent assessments and penalties shall constitute a civil debt to ~~the CVBVGPS~~ and shall be subject to collection by ~~the CVBVGPS~~, Cities and/or County by any means permitted by law.
5. Penalties Capped: Notwithstanding anything to the contrary, in no event shall the total penalties, including any original delinquency penalties and interest thereon exceed the maximum amount permitted by law.

F. Time and Manner for Collecting Assessments

The TBID assessment will be implemented beginning July 1, 2021 and will continue for ten (10) years through June 30, 2031. ~~The CVBVGPS~~, Cities and/or County will be responsible for collecting the assessment on a monthly basis (including any delinquencies, penalties and interest) from each assessed business. ~~The CVBVGPS~~, Cities and/or County shall take all reasonable efforts to collect the assessments from each assessed business.

1. ~~The CVBVGPS~~, Cities and/or County shall make all reasonable efforts to enter into an agreement with all Hosting Platforms to collect and remit the TBID assessment on behalf of assessed businesses using the hosting platform.
2. An assessed business, using a Hosting Platform, reserves the right to have the Hosting Platform collect the assessment based on information supplied by the assessed business, and remit such assessment to the assessed business for ultimate reporting and remittance by the assessed business to ~~the CVBVGPS~~, Cities and/or

County. In such case, the Hosting Platform, upon request from ~~the CVBGPS~~, Cities, and/or County, and not more than once per consecutive twelve-month period, shall provide ~~the CVBGPS~~, Cities and/or County with copies of documentation related to assessed business which have provided acknowledgement of its obligation to collect all assessments owed on a gross short-term room rental revenue and to remit and report any assessments collected directly to ~~the CVBGPS~~, Cities, and/or County.

VI. GOVERNANCE

A. GPSTBID Management

The JPA, through adoption of this Management District Plan, has determined that ~~the Visit~~ Greater Palm Springs ~~Convention & Visitors Bureau (CVB)(VGPS)~~ shall administer the GPSTBID.

B. Brown Act and California Public Records Act Compliance

~~The CVBVGPS~~ is subject to government regulations relating to transparency, including the Ralph M. Brown Act and the California Public Records Act. These regulations are designed to promote public accountability. ~~The CVBVGPS~~ is also subject to the record keeping and disclosure requirements of the California Public Records Act.

C. Annual Report

~~The CVBVGPS~~ shall present an annual report at the end of each year of operation to the JPA in accordance with the requirements outlined in Streets and Highways Code §36650 (see Appendix 1). The annual report shall include:

- Any proposed changes in the boundaries of the improvement district or in any benefit zones or classification of businesses within the district.
- The improvements and activities to be provided for that fiscal year.
- An estimate of the cost of providing the improvements and the activities for that fiscal year.
- The method and basis of levying the assessment in sufficient detail to allow each business owner to estimate the amount of the assessment to be levied against his or her business for that fiscal year.
- The estimated amount of any surplus or deficit revenues to be carried over from a previous fiscal year.
- The estimated amount of any contributions to be made from sources other than assessments levied pursuant to this part.

APPENDIX 1 – LAW

*** THIS DOCUMENT IS CURRENT THROUGH THE 2018 SUPPLEMENT ***
(ALL 2017 LEGISLATION)

STREETS AND HIGHWAYS CODE DIVISION 18. PARKING PART 7. PROPERTY AND BUSINESS IMPROVEMENT DISTRICT LAW OF 1994

CHAPTER 1. General Provisions

ARTICLE 1. Declarations

36600. Citation of part

This part shall be known and may be cited as the “Property and Business Improvement District Law of 1994.”

36601. Legislative findings and declarations; Legislative guidance

The Legislature finds and declares all of the following:

- (a) Businesses located and operating within business districts in some of this state’s communities are economically disadvantaged, are underutilized, and are unable to attract customers due to inadequate facilities, services, and activities in the business districts.
- (b) It is in the public interest to promote the economic revitalization and physical maintenance of business districts in order to create jobs, attract new businesses, and prevent the erosion of the business districts.
- (c) It is of particular local benefit to allow business districts to fund business related improvements, maintenance, and activities through the levy of assessments upon the businesses or real property that receive benefits from those improvements.
- (d) Assessments levied for the purpose of conferring special benefit upon the real property or a specific benefit upon the businesses in a business district are not taxes for the general benefit of a city, even if property, businesses, or persons not assessed receive incidental or collateral effects that benefit them.
- (e) Property and business improvement districts formed throughout this state have conferred special benefits upon properties and businesses within their districts and have made those properties and businesses more useful by providing the following benefits:
 - (1) Crime reduction. A study by the Rand Corporation has confirmed a 12-percent reduction in the incidence of robbery and an 8-percent reduction in the total incidence of violent crimes within the 30 districts studied.
 - (2) Job creation.
 - (3) Business attraction.
 - (4) Business retention.
 - (5) Economic growth.
 - (6) New investments.
- (f) With the dissolution of redevelopment agencies throughout the state, property and business improvement districts have become even more important tools with which communities can combat blight, promote economic opportunities, and create a clean and safe environment.
- (g) Since the enactment of this act, the people of California have adopted Proposition 218, which added Article XIII D to the Constitution in order to place certain requirements and restrictions on the formation of, and activities, expenditures, and assessments by property-based districts. Article XIII D of the Constitution provides that property-based districts may only levy assessments for special benefits.
- (h) The act amending this section is intended to provide the Legislature’s guidance with regard to this act, its interaction with the provisions of Article XIII D of the Constitution, and the determination of special benefits in property-based districts.
 - (1) The lack of legislative guidance has resulted in uncertainty and inconsistent application of this act, which discourages the use of assessments to fund needed improvements, maintenance, and activities in property-based districts, contributing to blight and other underutilization of property.

(2) Activities undertaken for the purpose of conferring special benefits upon property to be assessed inherently produce incidental or collateral effects that benefit property or persons not assessed. Therefore, for special benefits to exist as a separate and distinct category from general benefits, the incidental or collateral effects of those special benefits are inherently part of those special benefits. The mere fact that special benefits produce incidental or collateral effects that benefit property or persons not assessed does not convert any portion of those special benefits or their incidental or collateral effects into general benefits.

(3) It is of the utmost importance that property-based districts created under this act have clarity regarding restrictions on assessments they may levy and the proper determination of special benefits. Legislative clarity with regard to this act will provide districts with clear instructions and courts with legislative intent regarding restrictions on property-based assessments, and the manner in which special benefits should be determined.

36602. Purpose of part

The purpose of this part is to supplement previously enacted provisions of law that authorize cities to levy assessments within property and business improvement districts, to ensure that those assessments conform to all constitutional requirements and are determined and assessed in accordance with the guidance set forth in this act. This part does not affect or limit any other provisions of law authorizing or providing for the furnishing of improvements or activities or the raising of revenue for these purposes.

36603. Preemption of authority or charter city to adopt ordinances levying assessments

Nothing in this part is intended to preempt the authority of a charter city to adopt ordinances providing for a different method of levying assessments for similar or additional purposes from those set forth in this part. A property and business improvement district created pursuant to this part is expressly exempt from the provisions of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931 (Division 4 (commencing with Section 2800)).

36603.5. Part prevails over conflicting provisions

Any provision of this part that conflicts with any other provision of law shall prevail over the other provision of law, as to districts created under this part.

36604. Severability

This part is intended to be construed liberally and, if any provision is held invalid, the remaining provisions shall remain in full force and effect. Assessments levied under this part are not special taxes.

ARTICLE 2. Definitions

36606. “Activities”

“Activities” means, but is not limited to, all of the following that benefit businesses or real property in the district:

- (a) Promotion of public events.
- (b) Furnishing of music in any public place.
- (c) Promotion of tourism within the district.
- (d) Marketing and economic development, including retail retention and recruitment.
- (e) Providing security, sanitation, graffiti removal, street and sidewalk cleaning, and other municipal services supplemental to those normally provided by the municipality.
- (f) Other services provided for the purpose of conferring special benefit upon assessed real property or specific benefits upon assessed businesses located in the district.

36606.5. “Assessment”

“Assessment” means a levy for the purpose of acquiring, constructing, installing, or maintaining improvements and providing activities that will provide certain benefits to properties or businesses located within a property and business improvement district.

36607. “Business”

“Business” means all types of businesses and includes financial institutions and professions.

36608. “City”

“City” means a city, county, city and county, or an agency or entity created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 of the Government Code, the public member agencies of which includes only cities, counties, or a city and county, or the State of California.

36609. “City council”

“City council” means the city council of a city or the board of supervisors of a county, or the agency, commission, or board created pursuant to a joint powers agreement and which is a city within the meaning of this part.

36609.4. “Clerk”

“Clerk” means the clerk of the legislative body.

36609.5. “General benefit”

“General benefit” means, for purposes of a property-based district, any benefit that is not a “special benefit” as defined in Section 36615.5.

36610. “Improvement”

“Improvement” means the acquisition, construction, installation, or maintenance of any tangible property with an estimated useful life of five years or more including, but not limited to, the following:

- (a) Parking facilities.
- (b) Benches, booths, kiosks, display cases, pedestrian shelters and signs.
- (c) Trash receptacles and public restrooms.
- (d) Lighting and heating facilities.
- (e) Decorations.
- (f) Parks.
- (g) Fountains.
- (h) Planting areas.
- (i) Closing, opening, widening, or narrowing of existing streets.
- (j) Facilities or equipment, or both, to enhance security of persons and property within the district.
- (k) Ramps, sidewalks, plazas, and pedestrian malls.
- (l) Rehabilitation or removal of existing structures.

36611. “Management district plan”; “Plan”

“Management district plan” or “plan” means a proposal as defined in Section 36622.

36612. “Owners’ association”

“Owners’ association” means a private nonprofit entity that is under contract with a city to administer or implement improvements, maintenance, and activities specified in the management district plan. An owners’ association may be an existing nonprofit entity or a newly formed nonprofit entity. An owners’ association is a private entity and may not be considered a public entity for any purpose, nor may its board members or staff be considered to be public officials

for any purpose. Notwithstanding this section, an owners' association shall comply with the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code), at all times when matters within the subject matter of the district are heard, discussed, or deliberated, and with the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code), for all records relating to activities of the district.

36614. "Property"

"Property" means real property situated within a district.

36614.5. "Property and business improvement district"; "District"

"Property and business improvement district," or "district," means a property and business improvement district established pursuant to this part.

36614.6. "Property-based assessment"

"Property-based assessment" means any assessment made pursuant to this part upon real property.

36614.7. "Property-based district"

"Property-based district" means any district in which a city levies a property-based assessment.

36615. "Property owner"; "Business owner"; "Owner"

"Property owner" means any person shown as the owner of land on the last equalized assessment roll or otherwise known to be the owner of land by the city council. "Business owner" means any person recognized by the city as the owner of the business. "Owner" means either a business owner or a property owner. The city council has no obligation to obtain other information as to the ownership of land or businesses, and its determination of ownership shall be final and conclusive for the purposes of this part. Wherever this part requires the signature of the property owner, the signature of the authorized agent of the property owner shall be sufficient. Wherever this part requires the signature of the business owner, the signature of the authorized agent of the business owner shall be sufficient.

36615.5. "Special benefit"

"Special benefit" means, for purposes of a property-based district, a particular and distinct benefit over and above general benefits conferred on real property located in a district or to the public at large. Special benefit includes incidental or collateral effects that arise from the improvements, maintenance, or activities of property-based districts even if those incidental or collateral effects benefit property or persons not assessed. Special benefit excludes general enhancement of property value.

36616. "Tenant"

"Tenant" means an occupant pursuant to a lease of commercial space or a dwelling unit, other than an owner.

ARTICLE 3. Prior Law

36617. Alternate method of financing certain improvements and activities; Effect on other provisions

This part provides an alternative method of financing certain improvements and activities. The provisions of this part shall not affect or limit any other provisions of law authorizing or providing for the furnishing of improvements or activities or the raising of revenue for these purposes. Every improvement area established pursuant to the Parking and Business Improvement Area Law of 1989 (Part 6 (commencing with Section 36500) of this division) is valid and effective and is unaffected by this part.

CHAPTER 2. Establishment

36620. Establishment of property and business improvement district

A property and business improvement district may be established as provided in this chapter.

36620.5. Requirement of consent of city council

A county may not form a district within the territorial jurisdiction of a city without the consent of the city council of that city. A city may not form a district within the unincorporated territory of a county without the consent of the board of supervisors of that county. A city may not form a district within the territorial jurisdiction of another city without the consent of the city council of the other city.

36621. Initiation of proceedings; Petition of property or business owners in proposed district

- (a) Upon the submission of a written petition, signed by the property or business owners in the proposed district who will pay more than 50 percent of the assessments proposed to be levied, the city council may initiate proceedings to form a district by the adoption of a resolution expressing its intention to form a district. The amount of assessment attributable to property or a business owned by the same property or business owner that is in excess of 40 percent of the amount of all assessments proposed to be levied, shall not be included in determining whether the petition is signed by property or business owners who will pay more than 50 percent of the total amount of assessments proposed to be levied.
- (b) The petition of property or business owners required under subdivision (a) shall include a summary of the management district plan. That summary shall include all of the following:
 - (1) A map showing the boundaries of the district.
 - (2) Information specifying where the complete management district plan can be obtained.
 - (3) Information specifying that the complete management district plan shall be furnished upon request.
- (c) The resolution of intention described in subdivision (a) shall contain all of the following:
 - (1) A brief description of the proposed improvements, maintenance, and activities, the amount of the proposed assessment, a statement as to whether the assessment will be levied on property or businesses within the district, a statement as to whether bonds will be issued, and a description of the exterior boundaries of the proposed district, which may be made by reference to any plan or map that is on file with the clerk. The descriptions and statements do not need to be detailed and shall be sufficient if they enable an owner to generally identify the nature and extent of the improvements, maintenance, and activities, and the location and extent of the proposed district.
 - (2) A time and place for a public hearing on the establishment of the property and business improvement district and the levy of assessments, which shall be consistent with the requirements of Section 36623.

36622. Contents of management district plan

The management district plan shall include, but is not limited to, all of the following:

- (a) If the assessment will be levied on property, a map of the district in sufficient detail to locate each parcel of property and, if businesses are to be assessed, each business within the district. If the assessment will be levied on businesses, a map that identifies the district boundaries in sufficient detail to allow a business owner to reasonably determine whether a business is located within the district boundaries. If the assessment will be levied on property and businesses, a map of the district in sufficient detail to locate each parcel of property and to allow a business owner to reasonably determine whether a business is located within the district boundaries.
- (b) The name of the proposed district.
- (c) A description of the boundaries of the district, including the boundaries of benefit zones, proposed for establishment or extension in a manner sufficient to identify the affected property and businesses included, which may be made by reference to any plan or map that is on file with the clerk. The boundaries of a proposed property assessment district shall not overlap with the boundaries of another existing property

assessment district created pursuant to this part. This part does not prohibit the boundaries of a district created pursuant to this part to overlap with other assessment districts established pursuant to other provisions of law, including, but not limited to, the Parking and Business Improvement Area Law of 1989 (Part 6 (commencing with Section 36500)). This part does not prohibit the boundaries of a business assessment district created pursuant to this part to overlap with another business assessment district created pursuant to this part. This part does not prohibit the boundaries of a business assessment district created pursuant to this part to overlap with a property assessment district created pursuant to this part.

(d) The improvements, maintenance, and activities proposed for each year of operation of the district and the maximum cost thereof. If the improvements, maintenance, and activities proposed for each year of operation are the same, a description of the first year's proposed improvements, maintenance, and activities and a statement that the same improvements, maintenance, and activities are proposed for subsequent years shall satisfy the requirements of this subdivision.

(e) The total annual amount proposed to be expended for improvements, maintenance, or activities, and debt service in each year of operation of the district. If the assessment is levied on businesses, this amount may be estimated based upon the assessment rate. If the total annual amount proposed to be expended in each year of operation of the district is not significantly different, the amount proposed to be expended in the initial year and a statement that a similar amount applies to subsequent years shall satisfy the requirements of this subdivision.

(f) The proposed source or sources of financing, including the proposed method and basis of levying the assessment in sufficient detail to allow each property or business owner to calculate the amount of the assessment to be levied against his or her property or business. The plan also shall state whether bonds will be issued to finance improvements.

(g) The time and manner of collecting the assessments.

(h) The specific number of years in which assessments will be levied. In a new district, the maximum number of years shall be five. Upon renewal, a district shall have a term not to exceed 10 years. Notwithstanding these limitations, a district created pursuant to this part to finance capital improvements with bonds may levy assessments until the maximum maturity of the bonds. The management district plan may set forth specific increases in assessments for each year of operation of the district.

(i) The proposed time for implementation and completion of the management district plan.

(j) Any proposed rules and regulations to be applicable to the district.

(k) (1) A list of the properties or businesses to be assessed, including the assessor's parcel numbers for properties to be assessed, and a statement of the method or methods by which the expenses of a district will be imposed upon benefited real property or businesses, in proportion to the benefit received by the property or business, to defray the cost thereof.

(2) In a property-based district, the proportionate special benefit derived by each identified parcel shall be determined exclusively in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the activities. An assessment shall not be imposed on any parcel that exceeds the reasonable cost of the proportional special benefit conferred on that parcel. Only special benefits are assessable, and a property-based district shall separate the general benefits, if any, from the special benefits conferred on a parcel. Parcels within a property-based district that are owned or used by any city, public agency, the State of California, or the United States shall not be exempt from assessment unless the governmental entity can demonstrate by clear and convincing evidence that those publicly owned parcels in fact receive no special benefit. The value of any incidental, secondary, or collateral effects that arise from the improvements, maintenance, or activities of a property-based district and that benefit property or persons not assessed shall not be deducted from the entirety of the cost of any special benefit or affect the proportionate special benefit derived by each identified parcel.

(l) In a property-based district, the total amount of all special benefits to be conferred upon the properties located within the property-based district.

(m) In a property-based district, the total amount of general benefits, if any.

(n) In a property-based district, a detailed engineer's report prepared by a registered professional engineer certified by the State of California supporting all assessments contemplated by the management district plan.

(o) Any other item or matter required to be incorporated therein by the city council.

36623. Procedure to levy assessment

(a) If a city council proposes to levy a new or increased property assessment, the notice and protest and hearing procedure shall comply with Section 53753 of the Government Code.

(b) If a city council proposes to levy a new or increased business assessment, the notice and protest and hearing procedure shall comply with Section 54954.6 of the Government Code, except that notice shall be mailed to the owners of the businesses proposed to be assessed. A protest may be made orally or in writing by any interested person. Every written protest shall be filed with the clerk at or before the time fixed for the public hearing. The city council may waive any irregularity in the form or content of any written protest. A written protest may be withdrawn in writing at any time before the conclusion of the public hearing. Each written protest shall contain a description of the business in which the person subscribing the protest is interested sufficient to identify the business and, if a person subscribing is not shown on the official records of the city as the owner of the business, the protest shall contain or be accompanied by written evidence that the person subscribing is the owner of the business or the authorized representative. A written protest that does not comply with this section shall not be counted in determining a majority protest. If written protests are received from the owners or authorized representatives of businesses in the proposed district that will pay 50 percent or more of the assessments proposed to be levied and protests are not withdrawn so as to reduce the protests to less than 50 percent, no further proceedings to levy the proposed assessment against such businesses, as contained in the resolution of intention, shall be taken for a period of one year from the date of the finding of a majority protest by the city council.

(c) If a city council proposes to conduct a single proceeding to levy both a new or increased property assessment and a new or increased business assessment, the notice and protest and hearing procedure for the property assessment shall comply with subdivision (a), and the notice and protest and hearing procedure for the business assessment shall comply with subdivision (b). If a majority protest is received from either the property or business owners, that respective portion of the assessment shall not be levied. The remaining portion of the assessment may be levied unless the improvement or other special benefit was proposed to be funded by assessing both property and business owners.

36624. Changes to proposed assessments

At the conclusion of the public hearing to establish the district, the city council may adopt, revise, change, reduce, or modify the proposed assessment or the type or types of improvements, maintenance, and activities to be funded with the revenues from the assessments. Proposed assessments may only be revised by reducing any or all of them. At the public hearing, the city council may only make changes in, to, or from the boundaries of the proposed property and business improvement district that will exclude territory that will not benefit from the proposed improvements, maintenance, and activities. Any modifications, revisions, reductions, or changes to the proposed assessment district shall be reflected in the notice and map recorded pursuant to Section 36627.

36625. Resolution of formation

(a) If the city council, following the public hearing, decides to establish a proposed property and business improvement district, the city council shall adopt a resolution of formation that shall include, but is not limited to, all of the following:

(1) A brief description of the proposed improvements, maintenance, and activities, the amount of the proposed assessment, a statement as to whether the assessment will be levied on property, businesses, or both within the district, a statement on whether bonds will be issued, and a description of the exterior boundaries of the proposed district, which may be made by reference to any plan or map that is on file with the clerk. The descriptions and statements need not be detailed and shall be sufficient if they enable an owner to generally identify the nature and extent of the improvements, maintenance, and activities and the location and extent of the proposed district.

(2) The number, date of adoption, and title of the resolution of intention.

(3) The time and place where the public hearing was held concerning the establishment of the district.

(4) A determination regarding any protests received. The city shall not establish the district or levy assessments if a majority protest was received.

(5) A statement that the properties, businesses, or properties and businesses in the district established by the resolution shall be subject to any amendments to this part.

(6) A statement that the improvements, maintenance, and activities to be conferred on businesses and properties in the district will be funded by the levy of the assessments. The revenue from the levy of assessments within a district shall not be used to provide improvements, maintenance, or activities outside the district or for any purpose other than the purposes specified in the resolution of intention, as modified by the city council at the hearing concerning establishment of the district. Notwithstanding the foregoing, improvements and activities that must be provided outside the district boundaries to create a special or specific benefit to the assessed parcels or businesses may be provided, but shall be limited to marketing or signage pointing to the district.

(7) A finding that the property or businesses within the area of the property and business improvement district will be benefited by the improvements, maintenance, and activities funded by the proposed assessments, and, for a property-based district, that property within the district will receive a special benefit.

(8) In a property-based district, the total amount of all special benefits to be conferred on the properties within the property-based district.

(b) The adoption of the resolution of formation and, if required, recordation of the notice and map pursuant to Section 36627 shall constitute the levy of an assessment in each of the fiscal years referred to in the management district plan.

36626. Resolution establishing district

If the city council, following the public hearing, desires to establish the proposed property and business improvement district, and the city council has not made changes pursuant to Section 36624, or has made changes that do not substantially change the proposed assessment, the city council shall adopt a resolution establishing the district. The resolution shall contain all of the information specified in Section 36625.

36627. Notice and assessment diagram

Following adoption of the resolution establishing district assessments on properties pursuant to Section 36625 or Section 36626, the clerk shall record a notice and an assessment diagram pursuant to Section 3114. No other provision of Division 4.5 (commencing with Section 3100) applies to an assessment district created pursuant to this part.

36628. Establishment of separate benefit zones within district; Categories of businesses

The city council may establish one or more separate benefit zones within the district based upon the degree of benefit derived from the improvements or activities to be provided within the benefit zone and may impose a different assessment within each benefit zone. If the assessment is to be levied on businesses, the city council may also define categories of businesses based upon the degree of benefit that each will derive from the improvements or activities to be provided within the district and may impose a different assessment or rate of assessment on each category of business, or on each category of business within each zone.

36628.5. Assessments on businesses or property owners

The city council may levy assessments on businesses or on property owners, or a combination of the two, pursuant to this part. The city council shall structure the assessments in whatever manner it determines corresponds with the distribution of benefits from the proposed improvements, maintenance, and activities, provided that any property-based assessment conforms with the requirements set forth in paragraph (2) of subdivision (k) of Section 36622.

36629. Provisions and procedures applicable to benefit zones and business categories

All provisions of this part applicable to the establishment, modification, or disestablishment of a property and business improvement district apply to the establishment, modification, or disestablishment of benefit zones or categories of business. The city council shall, to establish, modify, or disestablish a benefit zone or category of business, follow the procedure to establish, modify, or disestablish a property and business improvement district.

36630. Expiration of district; Creation of new district

If a property and business improvement district expires due to the time limit set pursuant to subdivision (h) of Section 36622, a new management district plan may be created and the district may be renewed pursuant to this part.

CHAPTER 3. Assessments

36631. Time and manner of collection of assessments; Delinquent payments

The collection of the assessments levied pursuant to this part shall be made at the time and in the manner set forth by the city council in the resolution levying the assessment. Assessments levied on real property may be collected at the same time and in the same manner as for the ad valorem property tax, and may provide for the same lien priority and penalties for delinquent payment. All delinquent payments for assessments levied pursuant to this part may be charged interest and penalties.

36632. Assessments to be based on estimated benefit; Classification of real property and businesses; Exclusion of residential and agricultural property

- (a) The assessments levied on real property pursuant to this part shall be levied on the basis of the estimated benefit to the real property within the property and business improvement district. The city council may classify properties for purposes of determining the benefit to property of the improvements and activities provided pursuant to this part.
- (b) Assessments levied on businesses pursuant to this part shall be levied on the basis of the estimated benefit to the businesses within the property and business improvement district. The city council may classify businesses for purposes of determining the benefit to the businesses of the improvements and activities provided pursuant to this part.
- (c) Properties zoned solely for residential use, or that are zoned for agricultural use, are conclusively presumed not to benefit from the improvements and service funded through these assessments, and shall not be subject to any assessment pursuant to this part.

36633. Time for contesting validity of assessment

The validity of an assessment levied under this part shall not be contested in any action or proceeding unless the action or proceeding is commenced within 30 days after the resolution levying the assessment is adopted pursuant to Section 36626. Any appeal from a final judgment in an action or proceeding shall be perfected within 30 days after the entry of judgment.

36634. Service contracts authorized to establish levels of city services

The city council may execute baseline service contracts that would establish levels of city services that would continue after a property and business improvement district has been formed.

36635. Request to modify management district plan

The owners' association may, at any time, request that the city council modify the management district plan. Any modification of the management district plan shall be made pursuant to this chapter.

36636. Modification of plan by resolution after public hearing; Adoption of resolution of intention

- (a) Upon the written request of the owners' association, the city council may modify the management district plan after conducting one public hearing on the proposed modifications. The city council may modify the improvements and activities to be funded with the revenue derived from the levy of the assessments by adopting a resolution determining to make the modifications after holding a public hearing on the proposed modifications. If the modification includes the levy of a new or increased assessment, the city council shall comply with Section 36623. Notice of all other public hearings pursuant to this section shall comply with both of the following:
 - (1) The resolution of intention shall be published in a newspaper of general circulation in the city once at least seven days before the public hearing.

(2) A complete copy of the resolution of intention shall be mailed by first class mail, at least 10 days before the public hearing, to each business owner or property owner affected by the proposed modification.

(b) The city council shall adopt a resolution of intention which states the proposed modification prior to the public hearing required by this section. The public hearing shall be held not more than 90 days after the adoption of the resolution of intention.

36637. Reflection of modification in notices recorded and maps

Any subsequent modification of the resolution shall be reflected in subsequent notices and maps recorded pursuant to Division 4.5 (commencing with Section 3100), in a manner consistent with the provisions of Section 36627.

CHAPTER 3.5. Financing

36640. Bonds authorized; Procedure; Restriction on reduction or termination of assessments

(a) The city council may, by resolution, determine and declare that bonds shall be issued to finance the estimated cost of some or all of the proposed improvements described in the resolution of formation adopted pursuant to Section 36625, if the resolution of formation adopted pursuant to that section provides for the issuance of bonds, under the Improvement Bond Act of 1915 (Division 10 (commencing with Section 8500)) or in conjunction with Marks-Roos Local Bond Pooling Act of 1985 (Article 4 (commencing with Section 6584) of Chapter 5 of Division 7 of Title 1 of the Government Code). Either act, as the case may be, shall govern the proceedings relating to the issuance of bonds, although proceedings under the Bond Act of 1915 may be modified by the city council as necessary to accommodate assessments levied upon business pursuant to this part.

(b) The resolution adopted pursuant to subdivision (a) shall generally describe the proposed improvements specified in the resolution of formation adopted pursuant to Section 36625, set forth the estimated cost of those improvements, specify the number of annual installments and the fiscal years during which they are to be collected. The amount of debt service to retire the bonds shall not exceed the amount of revenue estimated to be raised from assessments over 30 years.

(c) Notwithstanding any other provision of this part, assessments levied to pay the principal and interest on any bond issued pursuant to this section shall not be reduced or terminated if doing so would interfere with the timely retirement of the debt.

CHAPTER 4. Governance

36650. Report by owners' association; Approval or modification by city council

(a) The owners' association shall cause to be prepared a report for each fiscal year, except the first year, for which assessments are to be levied and collected to pay the costs of the improvements, maintenance, and activities described in the report. The owners' association's first report shall be due after the first year of operation of the district. The report may propose changes, including, but not limited to, the boundaries of the property and business improvement district or any benefit zones within the district, the basis and method of levying the assessments, and any changes in the classification of property, including any categories of business, if a classification is used.

(b) The report shall be filed with the clerk and shall refer to the property and business improvement district by name, specify the fiscal year to which the report applies, and, with respect to that fiscal year, shall contain all of the following information:

(1) Any proposed changes in the boundaries of the property and business improvement district or in any benefit zones or classification of property or businesses within the district.

(2) The improvements, maintenance, and activities to be provided for that fiscal year.

(3) An estimate of the cost of providing the improvements, maintenance, and activities for that fiscal year.

(4) The method and basis of levying the assessment in sufficient detail to allow each real property or business owner, as appropriate, to estimate the amount of the assessment to be levied against his or her property or business for that fiscal year.

(5) The estimated amount of any surplus or deficit revenues to be carried over from a previous fiscal year.

(6) The estimated amount of any contributions to be made from sources other than assessments levied pursuant to this part.

(c) The city council may approve the report as filed by the owners' association or may modify any particular contained in the report and approve it as modified. Any modification shall be made pursuant to Sections 36635 and 36636.

The city council shall not approve a change in the basis and method of levying assessments that would impair an authorized or executed contract to be paid from the revenues derived from the levy of assessments, including any commitment to pay principal and interest on any bonds issued on behalf of the district.

36651. Designation of owners' association to provide improvements, maintenance, and activities

The management district plan may, but is not required to, state that an owners' association will provide the improvements, maintenance, and activities described in the management district plan. If the management district plan designates an owners' association, the city shall contract with the designated nonprofit corporation to provide services.

CHAPTER 5. Renewal

36660. Renewal of district; Transfer or refund of remaining revenues; District term limit

(a) Any district previously established whose term has expired, or will expire, may be renewed by following the procedures for establishment as provided in this chapter.

(b) Upon renewal, any remaining revenues derived from the levy of assessments, or any revenues derived from the sale of assets acquired with the revenues, shall be transferred to the renewed district. If the renewed district includes additional parcels or businesses not included in the prior district, the remaining revenues shall be spent to benefit only the parcels or businesses in the prior district. If the renewed district does not include parcels or businesses included in the prior district, the remaining revenues attributable to these parcels shall be refunded to the owners of these parcels or businesses.

(c) Upon renewal, a district shall have a term not to exceed 10 years, or, if the district is authorized to issue bonds, until the maximum maturity of those bonds. There is no requirement that the boundaries, assessments, improvements, or activities of a renewed district be the same as the original or prior district.

CHAPTER 6. Disestablishment

36670. Circumstances permitting disestablishment of district; Procedure

(a) Any district established or extended pursuant to the provisions of this part, where there is no indebtedness, outstanding and unpaid, incurred to accomplish any of the purposes of the district, may be disestablished by resolution by the city council in either of the following circumstances:

(1) If the city council finds there has been misappropriation of funds, malfeasance, or a violation of law in connection with the management of the district, it shall notice a hearing on disestablishment.

(2) During the operation of the district, there shall be a 30-day period each year in which assesses may request disestablishment of the district. The first such period shall begin one year after the date of establishment of the district and shall continue for 30 days. The next such 30-day period shall begin two years after the date of the establishment of the district. Each successive year of operation of the district shall have such a 30-day period. Upon the written petition of the owners or authorized representatives of real property or the owners or authorized representatives of businesses in the district who pay 50 percent or more of the assessments levied, the city council shall pass a resolution of intention to disestablish the district. The city council shall notice a hearing on disestablishment.

(b) The city council shall adopt a resolution of intention to disestablish the district prior to the public hearing required by this section. The resolution shall state the reason for the disestablishment, shall state the time and place of the public hearing, and shall contain a proposal to dispose of any assets acquired with the revenues of the assessments levied within the property and business improvement district. The notice of the hearing on disestablishment required by this section shall be given by mail to the property owner of each parcel or to

the owner of each business subject to assessment in the district, as appropriate. The city shall conduct the public hearing not less than 30 days after mailing the notice to the property or business owners. The public hearing shall be held not more than 60 days after the adoption of the resolution of intention.

36671. Refund of remaining revenues upon disestablishment or expiration without renewal of district; Calculation of refund; Use of outstanding revenue collected after disestablishment of district

(a) Upon the disestablishment or expiration without renewal of a district, any remaining revenues, after all outstanding debts are paid, derived from the levy of assessments, or derived from the sale of assets acquired with the revenues, or from bond reserve or construction funds, shall be refunded to the owners of the property or businesses then located and operating within the district in which assessments were levied by applying the same method and basis that was used to calculate the assessments levied in the fiscal year in which the district is disestablished or expires. All outstanding assessment revenue collected after disestablishment shall be spent on improvements and activities specified in the management district plan.

(b) If the disestablishment occurs before an assessment is levied for the fiscal year, the method and basis that was used to calculate the assessments levied in the immediate prior fiscal year shall be used to calculate the amount of any refund.

The assessed business list was compiled from records provided by each jurisdiction. The list was developed with the most reliable information provided, however, the list may contain discrepancies due to any of the following reasons: 1) The short-term vacation rentals included in the list are businesses that have obtained a permit or license to operate as a short-term vacation rental at the time of formation, and does not include short-term vacation rentals that are not permitted or licensed to operate as a short-term vacation rental; 2) Vacation rentals may cease operation with little or no notice, and may no longer be operating as a short-term rental; and 3) the short-term vacation rental list was compiled based on the dates below and may not include short-term vacation rentals that began operation after the dates listed.

List current as of December 2024.
