

## CODE OF CONDUCT

Engaging in sport activities is both beneficial and rewarding. The benefits of exercising can be enjoyed in many ways. However, any physical activity, including those conducted within a sport facility, carries with it some risk of harm, no matter how prudently and carefully services may be provided. Common sense and personal awareness can greatly reduce the elements of risk in engaging in physical activities.

Observe the code of conduct listed below and share with other patrons the responsibility for a great physical activity experience. The following guidelines are some basic elements of common sense and courtesy and are applicable to all areas of this facility.

- **GOOD SPORTSMANSHIP** is expected from players, coaches, officials, fans and parents at every match by demonstrating a positive attitude and speaking in a positive manner towards all involved.
